Welcome to the San Ramon Valley Unified School District Board of Education Workshop. Your interest in our schools is greatly appreciated.

Members of the public who wish to submit public comment at the SRVUSD Board Meetings, may do so in one of two ways. Because this is a special meeting of the Board, public comment will not be allowed on any item not on the agenda.

1. Attend the meeting and complete a Public Comment Card. Give the card to Cindy Fischer and you will be called up to the podium to present your comments in person.
2. Email your comments to [publiccomments@srvusd.net](mailto:publiccomments@srvusd.net). Emails will be automatically forwarded to each board member and will be entered into the official minutes.
  - a. Public comments received from the time the agenda is posted through the end of the open session portion of the meeting, will be included in the minutes.
  - b. Public comments received 4 hours or less prior to the start of open session will be included in the minutes, but may not be read by all Board Members prior to the meeting.
  - c. No email attachments will be accepted with electronically submitted public comment.
  - d. Email addresses will not be included in the public record in order to protect the privacy of commenters.

By law, board members can only discuss items that appear on the agenda. For this reason, board members do not engage in dialogue with individuals speaking during the non-agenda public comment section of the meeting. For individuals who wish to speak with board members in depth about an issue, contacting board members on an individual basis is recommended, although individual board members have no legal authority to make decisions without consideration by the whole board.

**All public comments during the meeting will be limited to three minutes.**
