### Social Emotional Well-Being

We are committed to creating and nurturing inclusive learning environments where all students, staff, and families feel deeply connected to their school community.

We will create learning environments that empower students to own their learning so they find purpose, meaning, and joy in their education and excel in post-high school endeavors.

### Shared Leadership

We will create the conditions for shared leadership by building a culture of trust, collegiality, and shared responsibility with students, staff, and families.

### Stewardship of Resources

We will maximize resources including time, talent and finances, to advance our student success goals.

### Culture of Responsiveness

We will effectively serve all stakeholders by listening, responding promptly, changing practices when appropriate, and communicating the rationale for decisions so students remain the focus of our efforts.
