2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

The San Ramon Valley Unified School District (SRVUSD) covers an 18 square mile area, encompassing the communities of Alamo, Blackhawk, Danville, Diablo, and San Ramon (including the Dougherty Valley communities in east San Ramon) as well as a small portion of the cities of Walnut Creek and Pleasanton. The District is comprised of 22 elementary schools, 8 middle schools, 4 comprehensive high schools and two alternative schools, serving more than 32,000 students in Pre-School and Transitional Kindergarten through Grade 12. Of those 32,425 students, 42.6% are white, 35.3% are Asian, 8.8% are Hispanic, 3.6% are Filipino, 1.7% are African American, 0.2% are American Indian or Alaska Native, 0.2% are Pacific Islander and 7.6% are two or more races. SRVUSD has 4.1% socio-economically disadvantaged students, 5.1% English learners, 8.5% students with special needs and 0.1% foster youth. The District employs approximately 4,500 people, hiring 250-300 employees per year. With an annual operating budget of over \$317 million, SRVUSD receives more than \$18 million per year in parent/private donations, and approximately \$6.7 million per year from a local parcel tax.

The San Ramon Valley Unified School District (SRVUSD) is committed to ensuring that all students learn at high levels in a safe and healthy environment. The SRVUSD LCAP focuses on the 8 state priorities categorized under Conditions for Learning, Pupil Outcomes and Engagement.

Conditions for Learning:
Currently 99% of the SRVUSD teaching staff are teaching within their credentialed subject area. There are no teacher misassignments for general education students or English Learners. 100% of our students have adequate instructional materials and our facilities have received an exemplary rating over the past three years. The LCAP puts great emphasis on priority areas 2 and 7. Our district has allocated a significant portion of our budget for professional development for teachers to implement the California State Standards, the Next Generation Science Standards and technology integration. We have also allocated a substantial amount to support our English Learner programs at Gale Ranch Middle School, Dougherty Valley High School and all of our elementary sites with English Learners. At this time, we have a 0% expulsion rate.

Pupil Outcomes:

In 2016-2017, based on the Early Assessment Program (EAP), 69% of our grade 11 students demonstrated college readiness in math and 87% in English language arts/literacy (ELA). The LCAP includes specific action steps to increase the percentage of SRVUSD students who demonstrate college and career readiness and who participate in Career Technical Education (CTE) pathways. These priorities will be measured through California Assessment of Student Performance and Progress (CAASPP) such as EAP, students completing A-G requirements and students completing CTE pathways. Currently, 87.9% of our English Learners are making progress toward English proficiency, and our EL reclassification rate is 21.3%. The SRVUSD LCAP places great emphasis on supporting English Learners. A significant portion of the LCFF Supplemental budget has been allocated to the English Learner program. The remaining supplemental allocation has been earmarked for the development of a robust intervention system across the district to ensure that students achieve at high levels.

Engagement:

SRVUSD has a 98.1% graduation rate, a 97.1% attendance rate, a 1.4% suspension rate and 0% expulsion rate. However, our LCAP does focus on action steps to help maintain these exceptional rates as well as to improve pupil engagement through mental health supports, Culturally Responsive teaching strategies and parent involvement.

The SRVUSD LCAP and the Single Plan for Student Achievement for each of our 36 schools are fully aligned. The four district focus areas: California State Standards implementation; Response to Intervention; Inclusion and Culturally and Linguistically Responsive Teaching and Learning are supported in the LCAP as well as in the SPSA for each school site.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The 2018-2019 LCAP for the San Ramon Valley Unified School District (SRVUSD) will continue to focus on recruiting, hiring and retaining the best and most qualified staff and on providing them with high quality professional development. SRVUSD will continue to provide standards-based instructional materials and assistive technology for students. In addition, the LCAP includes goals and action steps that will continue to increase the percentage of students who demonstrate college and career readiness by adding resources and supports to our Career Technical Education Programs. The LCAP also contains goals and action steps to prevent and/or alleviate student stress and promote positive mental health. We will continue to include goals and actions to increase the percentage of students who feel safe and connected to school, while also decreasing the percentage of students who are suspended from school. The LCAP includes goals and action steps to narrow the achievement gap among all subgroups in the areas of English Language Arts and mathematics and to increase the proficiency rates of our English Learners.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Districtwide, SRVUSD scored at the highest performance level (blue) on four out of its five indicators and at the second highest performance level on the fifth indicator. The English Learner Progress Indicator status was very high at 87.9%; the Graduation Rate Indicator was also very at 98.1%; and for both the English Language Arts and Math Indicators the status was also very high at 65.8 and 60.9 points above level three respectively. On the suspension rate indicator, SRVUSD scored at the green level which was at a low status at 1.4%. In an effort to build upon the successes enjoyed thus far, SRVUSD will continue to provide high quality professional development for all staff, continue to implement systemic interventions for struggling learners and increase our strong support for English learners. Efforts to address student stress, eliminate bullying and create safe and inclusive climates will be increased in the 2018-2019 as evidenced in Goal #4.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Districtwide, none of California Dashboard indicators for SRVUSD were red or orange, and none of the local indicators were not met. SRVUSD will continue efforts in Response to Intervention, Inclusive Practices and Culturally Responsive Teaching and Learning in order to maintain this high level of performance.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

On the Graduation Rate Indicator, SRVUSD’s student groups that were two or more levels below the district were: Socio-Economically Disadvantaged (at the orange status level of high at 91%), Students with Disabilities (at the orange status level of medium at 85.1%), and African American (at the yellow status level of high at 93.9%). For these subgroups, the status indicators are positive, but indicator levels were lowered by ratings on change.

On the English Language Arts Indicator, SRVUSD’s student groups of Socio-Economically Disadvantaged (at the yellow status level of medium with 3.3 points above 3) and Students with Disabilities (at the orange status level of low at 23 points below 3) were two or more levels below the district.

On the Suspension Rate Indicator the African American student group (at the orange status level of high at 5.8%) was two levels below the district.

On the mathematics indicator the Students with Disabilities group (at the yellow status level of low at 31.4 points below 3) was two levels below the district.

To address these performance gaps, SRVUSD will continue to maintain math intervention and supports, as well as expand Response to Intervention strategies and programs district-wide,

Culturally Responsive Teaching and Learning support, and Restorative Practices for student behavior issues.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved services

Based on SRVUSD’s dashboard it is doing an outstanding job of educating English Learners and Foster Youth. However, it is the socio-economically disadvantaged students that are struggling with graduation rate and to a lesser degree suspension and ELA. To improve the graduation rate, susperion, and English Language Arts performance, SRVUSD will continue to maintain math intervention and supports, as well as expand Response to Intervention strategies and programs district-wide, Culturally Responsive Teaching and Learning support, and Restorative Practices for student behavior issues. In addition, SRVUSD will increase supports for unduplicated pupils in the area of college and career readiness.

Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures For LCAP Year	\$343,901,284
Total Funds Budgeted for Planned Actions/Services to Meet The Goals in the LCAP for LCAP Year	\$33,483,300.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The California Education Code requires local educational agencies (LEAs) to follow the definitions, instructions, and procedures in the California School Accounting Manual. The General Fund is the chief operating fund for all LEAs and is divided into restricted and unrestricted segments. Restricted programs fulfill the requirements defined by the funding source and are by nature not associated with the LCAP. For this reason, restricted expenditures are generally not included as part of LCAP expenditures unless specifically identified as a funding source.

LEAs are also required to record expenditures according to the types of items purchased or services obtained. As a general rule, 85-87 percent of total General Fund expenditures consist of personnel salaries and benefits. These costs account for the human resources required to carry out a vast array of basic educational and support activities such as classroom teaching, clerical support, transportation, custodial activities, health and safety, building maintenance and operation, and more. These activities along with the related supplies and services costs do not directly influence the outcome of the specific actions and services identified in the LCAP. For this reason, they are not generally included in the LCAP unless specifically identified.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The Human Resources Department increased recruiting efforts in 2017-2018. SRVUSD hosted two recruiting fairs, one for all certificated teachers and one for special education teachers. In addition, HR staff and site administrators attended multiple recruiting fairs at various universities especially targeting schools with diverse populations. The Classified HR department hosted a job fair for classified employees which attracted hundreds of candidates.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

While there is a very slight increase in diversity among staff members, SRVUSD's teaching staff does not reflect the diversity of the student population. Classified staffing has significantly improved in 2017-2018.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

93% of planned expenditures for this goal and associated actions was spent in 2017-18. Unspent funds will continue to be available and have been integrated into 2018-19 and 2019-20 budgets for future needs related to this goal and associated actions.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes will be made to this goal.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The SRVUSD team of instructional coaches provided ongoing professional development for teachers and administrators in the areas of ELA, math and science. This staff development took many different forms: 1:1 peer coaching, grade-alike trainings, whole staff trainings and subject specific workshops. SRVUSD held a district-wide staff development day in February, in which 1800 certificated staff members and 200 classified staff members participated. In addition, outside staff developers from Creative Mathematics and Columbia University's Reading/Writing Workshop provided additional trainings for certificated staff and administrators. All students were provided access to the instructional materials needed to access the curriculum in all subject areas.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Results from staff evaluations of the professional development and from the LCAP survey indicate that staff is overall satisfied with the level of support they receive. Students overall performance in mathematics increased across grade levels. SRVUSD is making progress toward full implementation of the Next Generation Science Standards.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

86% of planned expenditures for this goal and associated actions was spent in 2017-18. Unspent funds will continue to be available and have been integrated into 2018-19 and 2019-20 budgets for future needs related to this goal and associated actions.

Given that the percentages of students who demonstrate college and career readiness through a variety of coursework, complete UC-CSU requirements and participate in the Advanced Placement program are very high, pupil outcomes (8A) have been met as this data covers the coursework outlined in Education Codes 51210 and 51220.

Expected

Baseline

The percentage of students completing UC/CSU A-G course requirements has increased by 5.4%, the percentage of students who demonstrated college and career readiness pursuant to EAP has increased by 5% in both ELA and math. As of 2016-17 SRVUSD was placed on the Advanced Placement Honor Roll for the seventh consecutive year, meaning that the district has increased participation/access to AP by at least 6%, has increased the percentage of exams taken by African American and Hispanic Latino students who scored at least 3+ on at least one AP exam and has improved performance levels of all students participating in the Advanced Placement program.

The percentage of students who have completed CTE pathways has increased by 2.15%. CTE enrollment count increased by 989 students.

19.7% of our English Learners overall were reclassified as English proficient. 79.6% of English Learners made progress toward English proficiency. 48% of English Learners who have been in SRVUSD less than five years made progress toward English proficiency. 60% of English Learners who have been in SRVUSD more than five years made progress toward English proficiency.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Continued CTE at high schools and middle schools, develop exploration courses, increase numbers of pathways, maintain CTE TSA. Maintained AVID (Advancement via Individual Determination) program. Continued Workability Program and expanded employment options. Continued Special Education Extended School Year. Increased access to Advanced Placement courses. Maintained current level of support for librarians (Library Media Coordinators and Library Media Teachers). Maintained current student to counselor ratio (500:1) per collective bargaining agreement.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Overall student performance on statewide assessments fell into the blue or very high category. The percentage of students who demonstrate college and career readiness is in the very high category. The percentage of English learners who make progress toward English proficiency is in the blue or very high category. The English learner reclassification rate increased. The percentage of students who passed the AP exams with a score of 3 or better increased slightly. All students, including unduplicated pupils and students with disabilities participated in a broad course of student that included all subject areas.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

106% of planned expenditures for this goal and associated actions was spent in 2017-18. Funds required to accomplish the goals and actions in this section will continue to be available and have been integrated into 2018-19 and 2019-20 budgets for future needs.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on feedback from the LCAP survey and from the LCAP stakeholder committee, the district will increase support for the CTE program in the 2018-2019 school year.

Baseline

Prior to 2017-18, there was no available district-wide data to track parent involvement other than participation in PTA and Educational Foundations and Booster groups. The district does provide opportunities for parents to be involved in decision making through the establishment of a school site council at each site.

In addition, the district maintains a DELAC and an ELAC at each school with English learners. The PTA has a special needs subcommittee to receive input from parents of students with disabilities and also has a Community Advisory Committee for parents of SWD. The district will form a Community Action Group for Cultural Responsiveness for the 17-18 school year to partner with parents and community to improve overall climate.

School attendance rates increased from 96.8% to 97%. Tardiness count decreased by 6,675 occurrences. The overall suspension rate declined by 0.1%. Suspension rates for males decreased by 2.6%, for students with special needs by 1.2%, for white students by 5.5% and for English Learners by 0.5%. However, suspension rates for African Americans increased by 0.5% and for Hispanic/Latino students by 3%. Pursuant to the California Healthy Kids Survey, 99% of our 5th graders feel connected to their schools, a 1% increase over the previous year and 90% feel very or moderately safe, which is no change from previous year. 96% of our 7th graders feel connected to school, which is no change from previous year and 85% feel very or moderately safe, a decrease of 1% from the previous year. 95% of our 9th graders feel connected to their schools, a 1% increase over previous year and 79% feel very or moderately safe, a 3% decrease from the previous year. 92% of 11th graders feel connected to their schools, which is no change to previous year and 80% feel very or moderately safe, a 1% decrease from the previous year.

The school district made efforts to seek parent input in decision-making. The school district promoted parent participation in programs for unduplicated pupils. The school district promoted parent participation in programs for students with disabilities. In the fall of 2017, all 36 school sites held individual LCAP meetings with parents and staff to review the 2016-2017 LCAP to make recommendations and suggestions for the 2017-2018 LCAP. Feedback from all 36 meetings was collected and presented to the district LCAP stakeholder committee.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The district experienced an increase in parent involvement and participation in the 2017-2018 school year.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

7% of available budgets for this goal and associated actions was spent in 2017-18. Given the relatively low dollar values of the budgets involved (thousand dollar levels instead of hundred thousand or million dollar levels), the District did not take a deep dive into the "why" behind material difference but continues to believe these budgets are warranted and effective. Going forward, childcare and food offering will continue to be accessible as a tool to encourage participation in the LCAP process. Unspent funds will continue to be available and have been integrated into 2018-19 and 2019-20 budgets for future needs related to this goal and associated actions.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes will be made to this goal.

Stakeholder Engagement

LCAP Year: 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

The district hired Hanover Research to develop and implement the 2017-2018 LCAP survey. The survey was launched in January of 2018 and went to parents, staff, students and community. We received over 11,704 responses. 7029, of those responses were from students, 3,424 from parents and 1,251 from staff.

Each individual school site held LCAP meetings for parents and staff. At each of these meetings, parents and staff examined the 2017-2018 LCAP, student achievement data and budget information to provide feedback about any changes, omissions or additions to the LCAP for 2018-2019 LCAP. In addition, parents and staff were encouraged to volunteer for the District LCAP Committee. More than 50 parents, students and staff members volunteered for this committee. Feedback from individual site meetings was gathered and then shared with the District LCAP Stakeholder committee.

.A Stakeholder Committee was continued to review and update the 2016-2017 LCAP. The committee was comprised of 50 members representing teachers, classified staff, bargaining units, parents, including foster youth parents, parents of low income students, English learner parents, board members, site administrators, district administrators and high school students.. The committee met on: 11/9/17, 1/11/18, 2/13/18, 3/8/18 and 4/12/18. They reviewed the data addendum (attached), parent/community survey data and current LCAP to make recommendations for the 2018-2019 LCAP.

The district held two community forums on May 29 and May 30 present the draft LCAP.

The LCAP was posted on the District's website on May 30, 2018.

The district provided an email address LCAP@SRVUSD.NET to allow members of the community to ask questions and post comments regarding the draft LCAP. All questions and comments were answered in writing.

A public hearing for the LCAP was held on June 12, 2018.

The LCAP was approved by the Board of Trustees on June 26, 2018.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The LCAP survey results and all individual comments received were provided to the LCAP Stakeholder Committee and utilized when developing recommended changes to the 2018-2019 LCAP.

The stakeholder committee developed the 2018-2019 draft LCAP.

All comments received from the parent advisory committee meetings were documented, analyzed and responded to by district staff. Comments and responses were posted on the district website.

All comments received after posting the LCAP on the District website analyzed by district staff.

All comments received from principals after reviewing draft LCAP at school sites were analyzed by district staff.

All comments received by the Board of Education during the public hearing were analyzed by district staff.

The 2018-2019 LCAP was revised based on the committee's review of data addendum, survey results and Stakeholder committee input. The following changes to the LCAP were proposed:

Goal 1 - No changes were made.

Goal 2 - No changes were made.

Goal 3 - Add Career Technical Education support in the form of an additional .4 CTE TSA.

Goal 4 - Add Mental Wellness support in the form of 1) establishing a mental wellness task force, hiring 2.0 FTE in social workers, implementation of elementary social/emotional curriculum and the creation of a safety and mental wellness coordinator position.

Goal 5 - No changes were made.

Goal 6 - No changes were made.

Goal 7 - GLAD training for all elementary teachers to support English Learners.

Goal 8 - No changes.

Goal 1

Continue recruiting, hiring, developing and retaining the best and most highly qualified candidates and market SRVUSD as a school district that embraces diversity.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)

Local Priorities:

Identified Need:

Currently, the ethnic and racial makeup of the SRVUSD staff, certificated, classified and administrative, is not reflective of the diversity of our student population. SRVUSD must continue to hire and retain the best and most qualified employees possible in order to serve our students.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

\$4,865,887

Percentage to Increase or Improve Services

1.87%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

SRVUSD is using Supplemental funding for targeted support programs to assist struggling learners including low income, foster youth, homeless and English learner pupils.

Actions included in the LCAP that directly serve unduplicated pupils are as follows:

- 1) English Learner program and support
- 2) Supplemental funds allocated directly to schools with the highest concentration of unduplicated pupils to provide targeted support for unduplicated pupils
- 3) Foster Youth support and Social Worker for at-risk students
- 4) Preschool programs for economically disadvantaged students

Actions included in the LCAP describing LEA-wide programs designed to provide targeted support for unduplicated pupils are as follows:

- 1) Anti-bullying and restorative justice training. Research by Howard Zehr, Allan MacRae, Kay Pranis, Lorraine Stutzman Amstutz indicate that restorative practices create a sense of community between teachers and students and that community has a direct correlation to higher student achievement for all students.
- 2) K-12 mental health counseling

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

3) K-12 Intervention professional development. The professional development centers around the development of a system of supports that provides appropriate interventions for all struggling learners, including, but not limited to, English learners, socio-economically disadvantaged students and foster youth. The district has utilized the RTI model of Mike Mattos and Austin Buffum to develop this system of support.

4) Culturally Responsive Teaching and Learning professional development. According to Zaretta Hammond, author of Culturally Responsive Teaching and the Brain, "In recent years, there's been a lot of talk about the reasons behind the low performance of many students of color, English learners, and poor students...While the achievement gap has created the epidemic of dependent learners, culturally responsive teaching is one of our most powerful tools for helping students find their way out of the gap...Numerous studies have demonstrated that culturally responsive education can strengthen student connectedness with school and enhance learning. (Kalyanpur, 2012; Tatum, 2009)"

5) Remedial summer school

6) Child care and meals for parent meetings

7) 3 FTE Social Workers. Clinically trained social workers are the nation's largest group of mental health service providers. Social work is considered one of the five core mental health professions by federal law and National Institutes of Health.

8) .4 additional CTE TSA to recruit unduplicated pupils, particularly socio-economically disadvantaged youth, to participate in Career Technical Education.

These LEA-wide programs (above) are principally directed toward and are effective in meeting the District's goals for unduplicated pupils because these services focus on the identified needs of these students. These services have been deemed the most effective use of Supplemental funds for unduplicated pupils based on research, experience, educational theory and good educational practices.

SRVUSD will increase and improve services for unduplicated pupils as compared to the services provided to all pupils by providing supplemental and targeted services to unduplicated pupils as described in various action steps in Goal #4, #7 and #8 of the LCAP. These programs include mental health counseling (K-12), intervention and inclusion TSA's (professional development), an English Learner program, Culturally Responsive Teaching and Learning professional development, allocating discretionary funds to school sites with the highest concentration of unduplicated pupils, remedial summer school, providing a Foster Youth Liaison and increasing

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year. When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP. In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fg/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with

the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.

- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)
- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided

in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student

Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the “Demonstration of Increased or Improved Services for Unduplicated Students” table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations, Title 5 (5 CCR) Section 15496(a)(5)*.

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
 - b. Mathematics – CCSS for Mathematics
 - c. English Language Development (ELD)
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. S broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:
 - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in 5 *CCR* Section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
 - (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
 - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).

Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified?
Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, October 2016
