Addendum/Clarification No. 1 **Item Bid: RERFRIGERATED TRUCKS** **RFQ# 643**

The following clarifications, changes, additions, deletions and corrections hereinafter set forth shall apply to the Bid Documents for this project and shall be made a part thereof and subject to all the requirements thereof, as if originally specified and/or shown.

Item 1:

Question: I would like to verify the style of refer unit. The bid asks for a refer unit that does not have its own engine, but instead is powered off the truck engine. From previous meetings, it seemed like the school district seemed to desire the self-contained unit (A refer with its own engine) because of its ability to rapidly cool down the body.

Answer: Yes, the District's intent is to purchase ENGINE DRIVEN and NOT self-contained insulated refrigerated van body box with a not to exceed 26,000 GVWR.

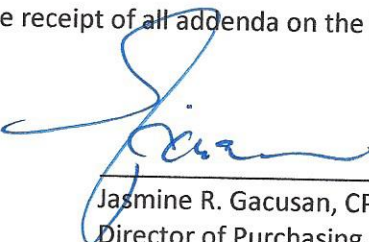

Item 2:

Question: I assume the liquidated damages are incurred in we do not meet the delivery date we fill in on the bid form.

Answer: Yes, the liquidated damages will be enforced if delivery date indicated in the bid form is not met. Liquidated damages is imposed to cover rental cost of similar refrigerated trucks within 30 miles of the District for each and every calendar days delay beyond the time prescribed.

End of Addendum

When submitting your bid, please be sure to acknowledge the receipt of all addenda on the form of proposal.
