Date Adopted by School Site Council: 5/20/14

Background

The development of a comprehensive school safety plan is mandated by California Education Code 32281. This mandate, which was established by Senate Bill 187, states that each school's Site Council, or a Safety Planning Committee authorized by the Site Council, shall develop a "safety plan" relevant to the needs and resources of the school. For schools built before 1998, the initial plans were to be adopted by September 1, 1998. For schools built after 1998, the plans are to be developed and adopted prior to the school's opening.

According to the education code, the School Site Council may delegate this responsibility to a School Safety Planning Committee. However, the committee must include the following members and must consult with a representative from a law enforcement agency in the writing and development of the plan:

- Principal or designee
- Teacher
- Parent Whose Child Attends the School
- Classified Employee

You are strongly encouraged to consult with staff, parents, students (where appropriate), and the broader community, in the development of the plan.

The plan is to be updated annually and kept on file at both the school site AND the district office, and readily available for inspection by the public.

The plan shall consist of two parts:

Part 1 – The "Comprehensive School Safety Plan" shall include all components required by Education Code 32281-32282 except for the emergency preparedness components. The Comprehensive School Safety Plan shall be on file, and available for inspection by the public, with the Educational Services Division of the district.

Part 2 – The "Emergency Preparedness Plan" shall include disaster procedures (routine and emergency), including earthquakes and other manmade or natural disasters.

The Comprehensive School Safety Plan shall include an action plan that clearly identifies policies and procedures that will improve both the safety and climate on campus, and shall include an evaluation component.

Section I

An Assessment of the current Status of School Crime, Safety and Climate

Sites should cite at least one piece of school specific climate data from the California Healthy Kids Survey, one piece of data from the site's bullying prevention and interventions survey (district-wide survey given in the Spring), and any additional site-level data showing the current school crime, safety, and climate.

Describe trends

In review of our current and past California Healthy Kids Survey Data, bullying data and suspension data the trends that are focuses for our students/site are focused on "feeling connected" and "level of participation". The reason for this focus is because we at Gale Ranch want to ensure that we continue to offer all of our students meaningful opportunities for school participation. We also are focusing on how connected our students feel with school and staff members as this is an important piece that we feel reflects our data. In the category of "Caring Adult Relationships", our site data reflected that 49% of our 7th grade students stated that this was a moderate area for them. When it comes to the category of "Opportunities for Meaningful Participation", our 7th grade students stated that this was also an area that we need to improve upon as it was at 53% (moderate) and 13% (low).

On the Bullying Survey, our students revealed a couple of areas to focus. The two areas that are similar numbers from the last two years of the bullying survey related to the following questions posed to students: "If you did not do anything the last time you saw someone being bullied, what was the reason?"

- -20% of our students stated "I didn't know what to do or who to talk to" for the 2012-13 & 2013-14 survey.
- -20% of our students stated "It wasn't my business or my problem" for the 2012-13 & 2013-14 survey.

These numbers are a cause of concern and will inform our decision-making in these areas in relation to education and support for our students going forward.

Describe programs/efforts that have impacted these trends

CHARACTER COUNTS---We celebrate our Character Counts Program with students and spotlight it through our weekly Friday Show, morning students announcements, Random Acts of Kindness connected with our "Caught Being Good" program. We also recognize each pillar character through our student of the month as a focus for teachers when making their selections.

STUDY SKILLS---This is a program that helps support our population of students that struggle academically in multiple classes. This is a class that academically reinforces skills/concepts in a myriad of content areas. Moreover, this program connects students with someone on campus that looks out for them and helps guide them academically, socially, emotionally and can help provide the much needed structure in the area of most need.

BUDDY PROGRAM---We connect our Special Day Class students with our AVID students periodically throughout the year. During this time, AVID students are paired up with an SDC student and they will read together, create art projects and write. The AVID students also act as tutors for our SDC students during these meeting times. These create really powerful connections with our students and promote a culture of connectedness with a population of students that can be disconnected or feel "invisible" on campus.

Climate Committee---Climate Committee meets throughout the year and is represented by a mix of staff members (certificated, admin, classified) and students. They address items that are going well (promoting a positive campus culture) and things that need to be addressed or highlighted. Feedback is received from all members of the committee to inform decision-making of doing what is best for our students and staff. The committee reviews California Healthy Kids Survey data and the Bullying Survey data and uses this information as a tool in driving decision-making in the areas of student need as well.

CLR---Currently, we have ten certificated staff members who have been CLR trained and who have been training other teachers. Additionally, we have three administrators trained as well. We will continue to train other staff members until all have been trained. We also have purchased 50 copies of "Culturally and Linguistically Responsive Teaching and Learning," by Shorroky Hollie. These

books will become our "Staff Read" for 14/15 school year. In addition, the principal has reached out to other elementary site principals to come and visit our CLR classrooms in action. Culturally Responsive Teaching & Learning is amazing work that our staff is involved in
EL Program

State your sites GOALS for the 2014-15 school year. Please remember to have at least one ATTENDANCE and one SCHOOL CONNECTEDNESS goal, as this links directly to the LCAP.

ATTENDANCE

- Bringing attendance to the forefront for students/staff/parents during ATTENDANCE AWARENESS MONTH in September. This will be done through Staff and Parent Newsletter's, school marquee's (both inside school and outside of school). Face-to-face student interaction early in the attendance process as a preemptive discussion to tardies, illness or unexcused absences. Parents will be involved in these discussions when appropriate and background knowledge will be acquired for each student/family individually as their are a myriad of issues that we will be supporting in a communicative effort.

SCHOOL CONNECTEDNESS

- Staff involved in CLR trainings and demonstration lessons/debriefings throughout the year. Staff is currently involved in doing the work that promotes them bridging communication and affirming students from all backgrounds. This communication is through instruction (CLR strategies, demonstration lessons and peer discussion) and through relationship building and connecting with students and families in a meaningful way. Climate Committee continues to address specific issues on campus in order to provide students and staff with a welcoming environment that is conducive to a high level of instruction and student learning opportunities.

SCHOOL CLIMATE FOR STUDENTS/STAFF

- Character Counts Program engrained in many aspects of school culture. Random Acts of Kindness emphasized through "Caught Being Good" Program and class meetings. 6th/7th grade students/staff given presentation about digital citizenship, cyber-bullying and electronic responsibility by Steve DeWarns.

We will continue to train other staff members until all have been trained. We also have purchased 50 copies of "Culturally and Linguistically Responsive Teaching and Learning," by Sharroky Hollie. These books will become our "Staff Read" for 14/15 school year. In addition, the principal has reached out to other elementary site principals to come and visit our CLR classrooms in action. Another goal for the upcoming year in relation to CLR is to create a website that has resources and links to best practices, lesson plans, strategies and videos. This will be a place where teachers can view upcoming workshop schedules (Collaboration Strategies Workshops). Looking forward in regards to organization and tracking of CLR trainings that teachers attend, we will be creating a calendar for "Strategies" meetings: two workshops per meeting. This will enable teachers to attend both workshops and allow admin to easily keep track of which trainings teachers have attended.

Section II

Strategies and programs - Board Policies, Procedures and California Education Code that support student and staff safety, and positive school climate

These policies, procedures and education codes are to be reviewed at the beginning of every school year with all staff. Gale Ranch Middle School commits to:

The attendance of the parent shall be limited to the class from which the student was suspended. (Ed Code 48900.1)
- B. If a teacher imposes the parental attendance requirement as stated in Education Code 48900.1, the principal shall send a written notice to the parent or guardian stating that their attendance is pursuant to law. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of the school district. The act of possessing an imitation firearm, as defined herein, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision, but is an offense for which suspension or expulsion may be imposed.

F. Emergency Suspension

A principal, the principal's designee, or the superintendent may suspend a student without affording the student an opportunity for a conference only if the principal, the principal's designee, or the superintendent determines that an emergency situation exists. "Emergency situation," as used in this section, means a situation determined by the principal, principal's designee or the superintendent to constitute a clear and present danger to the life, safety, or health of students or school personnel. If a student is suspended without a conference prior to suspension, both the parent and the student shall be notified of the student's right to a conference, and the student's right to return to school for the purpose of a conference. The conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason, including, but not limited to incarceration or hospitalization. J. Extension of Suspension (Ed Code 48911(g))

In a case where expulsion from any school or suspension for the balance of the semester from continuation school is being processed by Governing Board, the superintendent or other person designated by the superintendent in writing may extend the suspension until such time as the Governing Board has rendered a decision in the action.

If a student or the student's parent has requested a meeting to discuss the original suspension, the superintendent may determine at that meeting whether to extend the suspension.

An extension may be imposed only if the superintendent or designee has determined, following a meeting in which the student and the student's parent are invited to participate, that the presence of the student at the school or in an alternative school placement would cause a danger to persons or property or a threat of disrupting the instructional process.

If student is a foster child, the district superintendent or designee shall invite the student's attorney and an appropriate representative of the county child welfare agency to that meeting.

a. Student with Previously Identified Exceptional Need(s)

When a suspension is extended pending the processing of an expulsion recommendation for a student with previously identified exceptional need(s), the student must be provided with educational services allowing him or her to make progress on his or her individual IEP goals and in the general curriculum, beginning no later than the 11th day of consecutive removal from his or her regular program.

An expulsion recommendation may only be processed for a student with previously identified exceptional need(s) after the determination by the IEP team that the behavior was not a manifestation of the student's disability nor the direct result of the district's failure to implement the student's agreed upon individual education program, pursuant to the IDEA.

If a student is a foster child, the district shall invite the pupil's attorney and an appropriate representative of the county child welfare agency to participate in the IEP meeting where that manifestation determination is to be made. That invitation may be made by the most cost-effective method possible, including but not limited to electronic mail or telephone call.

K. Maximum Number of Days of Suspension (Ed Code 48903)

Except as expressly provided in Section 3 (K) 1 and 2, above, or 4, below, (Suspension by Governing Board), the total number of days for which a student may be suspended from school shall not exceed 20 school days in any school year, unless for purposes of adjustment, a student enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of school days for which the student may be suspended shall not exceed 30 school days in any school year.

For purposes of this section, the district may count suspensions that occur while student is enrolled in another school district toward the maximum number of days for which a pupil may be suspended in any school year.

4. Suspension by the Governing Board (Ed Code 48912)

A. Length of Suspension

The Governing Board may suspend a student from school for any of the acts enumerated in Grounds for Suspension or Expulsion for any number of school days within the limits prescribed in 3 (L), above.

B. Suspension from Continuation School (Ed Code 48912.5)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts enumerated in Grounds for Suspension or Expulsion occurred.

C. Closed Session

The Governing Board of the district shall, unless a request has been made to the contrary, hold closed sessions when the Board is considering the suspension of, disciplinary action against, or any other action except expulsion in connection with, any student, if a public hearing upon that question would lead to the giving out of information concerning a student which would be in violation of Article 5 (commencing with Section 49073) of Chapter 6.5.

D. Notice to Parents of Closed Session

Before calling a closed session to consider these matters, the Governing Board shall, in writing, by registered or certified mail or by personal service, notify the student and the student's parent or guardian, or the student if the student is an adult, of the intent of the Governing Board to call and hold a closed session. Unless the student or the

student's parent shall, in writing, within 48 hours after receipt of the written notice of the Governing Board's intention, request that the hearing be held as a public meeting, the hearing to consider these matters shall be conducted by the Governing Board in closed session. If a written request is served upon the Clerk or Secretary of the Governing Board, the meeting shall be public, except that any discussion at that meeting, which may be in conflict with the right to privacy of any student other than the student requesting the public meeting, shall be in closed session.

5. Completion of Student Work Assignments (Ed Code 48913)

The teacher of any class from which a student is suspended will require the suspended student to complete any assignments and tests missed during the suspension.

6. Community Service Alternative (Ed Code 48900.6)

As part of, or instead of other disciplinary action, except in instances where suspension is required by the Education Code, the Governing Board, the superintendent, the principal or the principal's designee may require the student to perform community service on school grounds, or with written permission of the parent or guardian of the student, off school grounds, during the student's non-school hours. Community service may include, but is not limited to, work performed on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher or youth assistance programs or such work performed in the community. This section may apply if a recommended expulsion is not implemented or is, itself, suspended by stipulation or administrative action.

- A. A student who commits an action enumerated in Grounds for Suspension or Expulsion, or has been habitually truant or irregular in attendance from instruction upon which he or she is lawfully required to attend, may be involuntarily transferred to continuation school.
- B. Involuntary transfer to a continuation school shall be imposed only when other means fail to bring about student improvement, provided that a student may be involuntarily transferred the first time he or she commits an act enumerated in Grounds for Suspension or Expulsion if the principal determines that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process.
- C. Before implementing the transfer, the district shall send the student and parent or guardian written notice of the opportunity to request a meeting with the superintendent's designee prior to the transfer.
- D. At the meeting, the student or the student's parents or guardian shall be informed of the specific facts and reasons for the proposed transfer and will have the opportunity to inspect all documents relied upon, question any evidence and witnesses presented, and present evidence on the student's behalf.
- E. None of the persons involved in making the final decision to make an involuntary transfer to a continuation school may be on the staff of the school in which the student is currently enrolled at the time the decision is made. The district's decision to transfer shall be in writing, stating the facts and reasons for the decision, and sent to the student and the student's parents or guardian. It shall indicate the process for review pursuant to 7 (F) below.
- F. Involuntary transfers to a continuation school will be reviewed annually by the superintendent or designee upon student request. The review will take place in a meeting where the student and/or student's parent or guardian may present information supporting the request to return to a regular program.

8. Exclusion from District Property/Activities

During the period of a suspension, the student shall not enter, or come onto, any district property or grounds, and shall not attend any district or school sponsored activities or events.

This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined above, is not an offense for which expulsion is mandatory, but is an offense for which expulsion may be pursued, per Section 1(c) below.

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife, explosive, or other dangerous object of no reasonable use to the student (See definition of "knife" in Immediate Suspension, 3 (B))
3. 3. Procedures for Student Expulsion

A. The student and the student's parent or guardian shall be entitled to a hearing to determine whether the student should be expelled.

B. Timing of expulsion hearing:

1. 2. The student shall be entitled to at least one postponement of the hearing for a period of not more than 30 calendar days. Any additional postponement may be granted at the discretion of the Governing Board.
3. If compliance by the Governing Board with the time requirements for conducting the expulsion hearing is impracticable during the regular school year, the superintendent or designee may, for good cause, extend the time period for holding the expulsion hearing for an additional five (5) school days. Reasons for the extension of time for the hearing shall be included as part of the record at the time the expulsion hearing is conducted.

Upon commencement of the hearing, all matters shall be pursued and conducted with reasonable difference and shall be concluded without unnecessary delay. If compliance by the Governing Board with the time requirements for conducting the expulsion hearing is impracticable due to a summer recess of Governing Board meetings of more than two weeks, the days of the recess period shall not be counted as school days. The days not counted for this purpose shall not exceed 20 school days, unless the student requests postponement. The hearing shall in any event be held within 20 school days of the commencement of the regular school year.

C. Written Notice to Parent/Guardian of Expulsion Hearing

The notice may be made using the most cost-effective method possible, which may include, but is not limited to electronic mail or telephone call.
7. If the decision to recommend the expulsion of a foster child is mandatory, the Governing Board may provide notice of the expulsion hearing to the student's attorney and an appropriate representative of the county child welfare agency at least 10 calendar days before the date of hearing. When misconduct occurs, staff shall make every effort to identify and correct the causes of the student's behavior.

Board policies and regulations shall delineate acceptable student conduct and provide the basis for sound disciplinary practices. Each school shall develop disciplinary rules in accordance with law to meet the school's individual needs.

Staff shall enforce disciplinary rules fairly and consistently, without regard to race, creed, color or sex.

State your sites GOALS for the 2014-15 school year. Please remember to have at least one ATTENDANCE and one SCHOOL CONNECTEDNESS goal, as this links directly to the LCAP.

ATTENDANCE

- Bringing attendance to the forefront for students/staff/parents during ATTENDANCE AWARENESS MONTH in September. This will be done through Staff and Parent Newsletter's, school marquee's (both inside school and outside of school). Face-to-face student interaction early in the attendance process as a preemptive discussion to tardies, illness or unexcused absences. Parents will be involved in these discussions when appropriate and background knowledge will be acquired for each student/family individually as their are a myriad of issues that we will be supporting in a communicative effort.

SCHOOL CONNECTEDNESS

- Staff involved in CLR trainings and demonstration lessons/debriefings throughout the year. Staff is currently involved in doing the work that promotes them bridging communication and affirming students from all backgrounds. This communication is through instruction (CLR strategies, demonstration lessons and peer discussion) and through relationship building and connecting with students and families in a meaningful way. Climate Committee continues to address specific issues on campus in order to provide students and staff with a welcoming environment that is conducive to a high level of instruction and student learning opportunities.

SCHOOL CLIMATE FOR STUDENTS/STAFF

- Character Counts Program engrained in many aspects of school culture. Random Acts of Kindness emphasized through "Caught Being Good" Program and class meetings. 6th/7th grade students/staff given presentation about digital citizenship, cyber-bullying and electronic responsibility by Steve DeWarns.

We will continue to train other staff members until all have been trained. We also have purchased 50 copies of "Culturally and Linguistically Responsive Teaching and Learning," by Sharroky Hollie. These books will become our "Staff Read" for 14/15 school year. In addition, the principal has reached out to other elementary site principals to come and visit our CLR classrooms in action. Another goal for the upcoming year in relation to CLR is to create a website that has resources and links to best practices, lesson plans, strategies and videos. This will be a place where teachers can view upcoming workshop schedules (Collaboration Strategies Workshops). Looking forward in regards to organization and tracking of CLR trainings that teachers attend, we will be creating a calendar for "Strategies" meetings: two workshops per meeting. This will enable teachers to attend both workshops and allow admin to easily keep track of which trainings teachers have attended.
