- F. Compensatory time off shall be taken at a mutually agreeable time within the twelve (12) calendar months following the month in which the overtime was worked and without impairing the District's services. If compensatory time is not taken within twelve (12) months, it shall be paid in cash.

ARTICLE VII

LEAVES

A. Leaves of Absence for Illness or Injury

1. An employee employed full time, five (5) days a week, twelve (12) months a year, shall be granted 96 hours leave of absence for illness or injury, exclusive of all days he/she is not required to render service to the District, with full pay for a school year of service.

An employee may annually use six (6) sick leave days for the illness of a child, parent, spouse, domestic partner of the employee or child of a domestic partner.

2. An employee, employed five (5) days a week, who is employed less than full time or for less than twelve (12) months per year is entitled to that proportion of 96 hours leave of absence for illness or injury as the number of hours per week and months per year he/she is employed is proportionate to forty (40) hours per week twelve (12) months per year.
3. An employee employed less than five (5) days per week shall be entitled, for a school year of service, to that proportion of ninety-six (96) hours leave of absence for illness or injury as the number of days he/she is employed per week is proportionate to five (5) days. When such persons are employed for less than a full school year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
4. Pay for any day of such illness or injury absence shall be the same as the pay which would have been received had the employee served during the day of illness so long as the employee has a positive accumulation of sick

leave hours on the District's records.

5. At the beginning of each employee's school year as defined by position assignment, the full amount of sick leave granted under this Section shall be credited to each employee. Credit for sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6) days until the first day of the calendar month after completion of six (6) months of probationary service with the District.
6. Pregnancy shall be treated as a temporary disability leave for the period of time that the employee is temporarily disabled resulting from pregnancy, miscarriage, or childbirth, and recovery there from. The length of the absence shall commence and terminate on dates determined by the employee and the employee's physician.
7. If an employee does not take the full amount of sick leave allowed in any year under this Article, the amount not taken shall be accumulated from year to year.
8. Employees may convert unused sick leave to retirement credit subject to and in accordance with applicable Ed Code or Government Code, or other applicable law if the employee is filing a request for retirement.
9. An employee may elect to waive sick leave benefits temporarily in order to coordinate SDI with sick leave, to provide combined SDI and sick leave payment equal to full day's pay to the extent of available sick leave. (See Article XII, H.)

B. Entitlement to Other Illness or Injury Leave

1. After the exhaustion of sick leave and other paid leave, a unit member who is absent from duty due to long-term illness or accident for more than five (5) consecutive days and who has submitted medical verification satisfactory to the District of the cause of the absence, shall be entitled to receive the difference between the amount actually paid a substitute employee employed to fill his/her position during his/her absence and the salary which would have been paid to the employee.
2. Entitlement to such difference pay shall expire five (5) months after the first date of absence. Benefits under this section are for long-term illness or accident whether or not the absence arises out of or in the course of the employment of the employee.

3. If the employee does not exhaust the five (5) month period during a school year, the employee shall be entitled to differential pay for the remainder of the five (5) month period in the subsequent school year. An employee shall be entitled to one five (5) month period for any one illness or accident.
4. When an employee is absent from his/her duties on account of illness for a period of five (5) months or less according to the terms of this article, the District contributions toward health and welfare benefits shall continue for a period not to exceed five (5) months without regard to whether the employee is receiving differential salary.

C. Catastrophic Leave

The purpose of the catastrophic leave bank is to allow bargaining unit members to contribute one (1) equivalent sick leave day (based on FTE) for the establishment of a sick leave bank to assist permanent classified employees who have a long-term catastrophic illness or injury and who have exhausted all paid leaves.

Catastrophic illness or injury means a life-threatening or terminal illness or injury as verified by appropriate medical documentation and prevents the member from working.

1. The classified leave bank will include all permanent classified employees in all three classified bargaining units. The donation of one (1) day of sick leave shall be prorated by FTE when credited to the pool. For example, a .75 FTE employee donating one (1) day shall increase the pool by .75 FTE.
2. A catastrophic leave bank committee will be established to review and either approve or deny requests. The committee will consist of two (2) administrators, and one (1) bargaining unit member from each of the three (3) classified units selected by the respective association/union. Approval of sick leave requests will require support of four (4) out of five (5) committee members. Approval or denial of catastrophic leave requests by the catastrophic leave bank committee shall be final and not be subject to appeal or subject to the grievance procedure of the collective bargaining agreements. The committee shall not grant more leave than is contained in the bank.
3. Participation in the bank is voluntary. At the beginning of each school year there will be an open enrollment period coinciding with the health benefits open enrollment period. Unit members must have fifteen (15) equivalent days of accumulated sick leave as of the first duty day of the fiscal year to be eligible for membership in the bank. Eligible unit members must notify

the Human Resource Office in writing during the designated open enrollment period of their desire to participate in the bank. The maximum anyone can contribute to the bank at any one time is one (1) FTE sick leave day.

- a. The District shall notify all unit members annually of the designated open enrollment period for participation in the Catastrophic Leave Bank.
 - b. Upon closing of the annual open enrollment period for Catastrophic Leave, the District shall provide each classified unit president with the following:
 - i. The number of hours contributed to the bank by classified employees for the current year.
 - ii. The names of the classified employees participating in the bank.
 - iii. The total number of accumulated hours in the bank.
4. All unused days contributed to the bank will be carried over from year to year. If at the end of the previous school year the total number of days in the bank is reduced to fewer than two hundred (200) days / sixteen hundred (1600) hours, the Human Resources Office will notify the bank membership prior to open enrollment that a new assessment of one (1) day of sick leave per member of the bank will be made. A maximum of 200 sick leave days per year may be withdrawn annually from the bank. Sick leave from the bank may not be granted for any illnesses or injuries to be covered under Workers' Compensation.
 5. Members who have accessed benefits from the bank may re-enroll in the bank when they have twelve (12) days of accumulated sick leave, provided the employee has returned to work for at least six (6) working months.
 6. Applicants for benefits from the leave bank must submit an application through the catastrophic leave bank committee. Only individuals who have contributed to the bank will be eligible for benefits.
 7. Catastrophic Leave Bank Benefit: After all regular sick leave, other sick leave (difference pay) and vacation have been exhausted, up to thirty (30) days of fully paid sick leave at the member's regular daily rate of pay may be requested from the catastrophic leave bank.

8. Those employees enrolled in the bank will automatically continue their participation from year to year unless they notify the Human Resource Office, in writing, of their intent to withdraw from the bank. Such withdrawal from the bank must occur during the open enrollment period and will not result in reinstatement of the time contributed to the bank.

D. Industrial Accident and Illness Leave

1. Employees shall be entitled to no more than sixty (60) days of fully paid leave under this provision in any one school year for the same accident, or as consistent with the Education Code. Thereafter leave for industrial accident or sickness shall be in accordance with the Education Code or the Board of Education policies and procedures.
2. Leave allowable under this provision shall not be accumulated from year to year.
3. Leave under this provision shall commence on the first day of absence.
4. Total District reimbursement under this provision shall not exceed the employee's full salary, including his/her temporary disability indemnity and the portion of monthly salary paid by the District.
5. Industrial Accident or Illness Leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.
6. When an Industrial Accident or Illness Leave overlaps into the next school year, the permanent employee shall be entitled to only the amount of unused leave due him/her for the same illness or injury.

E. Additional Leave for Non-Industrial Accident or Illness

A permanent employee of the classified service who has exhausted all entitlement to sick leave, vacation, compensatory overtime, or other available paid leave and who is absent because of non-industrial accident or illness may be granted additional leave, paid or unpaid, not to exceed (6) months, in accordance with Education Code Section 45195. The Board may renew the leave of absence, paid or unpaid, for two (2) additional six-month (6) periods or such lesser leave periods as it may deem appropriate, but not to exceed a total of eighteen (18) months.

F. Bereavement Leave

1. An employee shall be granted a leave with full pay in the event of the death of any members of the employee's immediate family. The immediate family is defined as spouse, domestic partner, son, daughter, mother, father, grandmother, grandfather, sister, brother, aunt, uncle, niece, nephew, grandchild or any person living in the immediate household of the bargaining unit member. 2. Accident or illness involving the employee's person or property, or the person or property of a member of his/her immediate family (as defined in F. above).
3. Appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or any order made with jurisdiction.

These days are not intended for personal convenience, vacation, extension of a holiday or recess period, or for matters that can be addressed outside the regular work hours.

Immediate family as used herein is defined under Bereavement Leave.

Any meal, mileage, and/or parking allowance provided the employee for jury duty shall not be considered in the amount received for jury duty.
2. Any full time employee who serves no more than four (4) hours of jury duty in any day shall be entitled to one-half (1/2) the paid leave payable under paragraph 1. above and shall return to work for the balance of the workday. Employees using this leave shall, upon return from leave, submit a jury duty release form to his/her immediate supervisor.
3. A part time employee who serves jury duty no more than one-half (1/2) of his/her normal shift shall report to duty at the end of such service. A part

time employee serving one-half (1/2) or more of the normal shift on jury duty shall be excused from work that day without loss of pay.

"Base" vacation is defined as one (1.0) equivalent day of vacation per month and is pre-calculated into the pay of employees included in this section as described in Article XIV – Salaries, Section H. – Pay Plan.

Additional vacation (“above base”) for employees with more than five (5) years of service will be accrued in the employee’s vacation leave records as noted in this section.

An “equivalent day” is defined as one-fifth (1/5) the total weekly hours to which the employee is normally assigned.

Excepting those employees to whom Section K applies, regular (non-probationary) employees assigned to school sites who are employed less than 40 hours and/or less than 12 months shall generally be expected to use accrued vacation during non-instructional days. However, accrued vacation above the base accrual may be used on instructional days with the advance approval of the immediate supervisor upon verification of eligibility by Human Resources.

In extraordinary circumstances, a unit member may request approval from his/her immediate supervisor and Human Resources to take up to five (5) continuous days of vacation during the instructional year. Such request must be made at least two (2) months in advance. The employee shall receive a final decision of the request within two (2) calendar weeks of its submission.

I. When an employee becomes ill while on vacation to the extent that all or part of his/her vacation was not used, s/he may petition to convert the days of illness to any accumulated sick leave, thus preserving vacation time.

The procedure for doing this is as follows:

1. Submit a new leave request for vacation giving the new days to be charged as vacation and the dates to be charged to sick leave.

3. The employee will submit the documentation required to the Classified Personnel Administrator who will review and approve or deny the exchange days. Copies will be returned to the employee within ten (10) working days of receipt by the Classified Personnel Administrator.

The purpose of this is to accommodate serious illnesses (three or more days) that substantially disrupt or force the cancellation of vacation time. Situations that involve the abuse of this accommodation will be handled as a disciplinary matter.

J. Upon separation from employment, a regular employee shall be paid for earned and unused vacation.

K. Vacation Payout for All Crossing Guards and Child Nutrition Employees Who Are Assigned Less than Four (4) Hours/Day

Regular employees in this category shall have their base accrual vacation pay included in their monthly pay warrants. 2. Upon being notified of such a complaint, within ten (10) work days the employee may request a meeting with the supervisor, and complainant, if appropriate, to be scheduled within thirty (30) work days. Any lack of a meeting, however, shall not preclude placement of the complaint in the employee's personnel file.

K. Benefits Study Committee

The Association and the District agree to participate in good faith in an employee benefits study committee to propose cost reductions or benefits packaging provisions that might improve the employee benefits or improve the cost containment possibilities for the District.

The committee members will also work proactively to develop prospective options for the District and its bargaining units to ensure, to the greatest extent possible, that the District can continue to offer multiple health plan options to employees and retirees.

The Association shall designate one representative from the bargaining unit to serve on the committee. Participation on the study committee shall normally be during duty time; if not, the representative shall be paid for the time. All recommendations from the study committee may be considered as immediate re-openers for negotiations by mutual agreement between the Association and the District. In the event agreement is reached between the two parties on any matters affecting benefits, immediate implementation is permissible upon ratification.

L. Post Retirement Benefits

1. Employees hired on or after October 1, 2002, are not eligible for district paid post retirement benefits. However, those who retire on or after 5/1/05, are age 55 to 65, and who have ten (10) years of continuous Unit II, Clerical/Technical/Child Nutrition benefits-eligible service immediately prior to retirement, may continue to enroll and pay the entire cost of a full benefits package available to active employees. The cost to the retiree is the full cost of the retiree rate. A full benefits package includes medical, dental, vision, and life insurance. A Retiree is defined as a person who is an annuitant in PERS or STRS. The District may unilaterally end this option if there is an adverse effect on the plan rates or experience factors.
2. For employees hired before October 1, 2002, and who retire on or after 7/1/07, are at least fifty-five (55) years of age, and who have ten (10) years of continuous Unit II, Clerical/Technical/Child Nutrition benefits-eligible service immediately prior to retirement, the District will contribute \$290 per month (during the 2020 plan year) contribution which is increased annually by the Consumer Price Index for all Urban Consumers for San Francisco-Oakland). The District will contribute the pro-rata share for part-time benefits-eligible employees who meet the same eligibility requirements.

Provided they have had continuous coverage (i.e. are enrolled in the program prior to the effective date of retirement) employees may apply the District contribution plus any of their own contribution toward the cost of medical, dental, vision, or life insurance coverage upon retirement. These employees may continue life insurance into retirement. The amount of life insurance coverage will be \$25,000 of non-contributory, District-paid coverage if this is the only coverage in force prior to retirement. A maximum additional amount of \$25,000 of contributory, employee-paid supplemental life insurance will be allowed if this additional insurance is in force prior to retirement.

3. For employees who retire from the District after 7/1/86, and before 7/1/07, the District shall contribute an amount equal to active Kaiser single party medical coverage per month toward medical benefits, from age fifty-five (55) to sixty-five (65), after ten (10) years of continuous Unit II Clerical benefits eligible service immediately prior to retirement. The District shall contribute a pro rata amount toward medical benefits from age fifty-five (55) to sixty-five (65) for part-time employees who retire from the District and have been employed four (4) hours or more per day, after ten (10) years of Unit II Clerical continuous benefits eligible service immediately prior to retirement; however such employees who were employed prior to 7/1/73, who were receiving fully-paid health and welfare benefits prior to July 1, 1973, shall be entitled to the same District contributions as full-time employees as long as they continue in assignments of four (4) hours or more. Employee must be enrolled with the same carrier as the District, subject to carrier approval.

Provided they have had continuous coverage (i.e. are enrolled in the program prior to the effective date of retirement) employees may apply the District contribution plus any of their own contribution toward the cost of medical, dental, vision, or life insurance coverage upon retirement. These employees may continue life insurance into retirement. The amount of life insurance coverage will be \$25,000 of non-contributory, District-paid coverage if this is the only coverage in force prior to retirement. A maximum additional amount of \$25,000 of contributory, employee-paid supplemental life insurance will be allowed if this additional insurance is in force prior to retirement.

For employees who retire from the District, the District shall provide an amount equal to the current cost of Kaiser single party Medicare carve-out supplemental coverage for employees after age sixty-five (65) who have been employed for ten (10) years of continuous benefits eligible service immediately prior to retirement. The District shall contribute a pro-rata amount of this benefit for part-time employees who retire from the District

and have been employed for four (4) hours or more per day after ten (10) years of continuous benefits eligible service immediately prior to retirement. This coverage shall be provided by the District with the Agreement of the Association that any cost containment savings recommended by the Benefits Study Committee will be used to offset the additional cost and that the cost shall be refunded by the District by setting aside current dollars for active employees on an actuarial basis (part-time prorated).

4. To determine the pro-rated retiree benefits level for employees who have worked at more than one level of full-time equivalence, the employee may designate the ten (10) consecutive years, July 1 through June 30, to be used in retiree benefit level calculation. Time lost as a result of involuntary reduction in hours/layoff shall not be used in calculation of retiree benefit level, provided that the employee has not turned down an offer of employment of the same or greater hours.

ARTICLE XIII

Each employee may earn a maximum of four (4) awards for a cumulative total of twenty percent (20%) of their regular monthly salaries during their District employment.

An employee must complete at least nine (9) semester units or equivalent to be eligible for each award. An employee will receive credit for a maximum of three (3) semester units or their equivalent per year toward the eligibility for an award. F. Classification/Reclassification

1. Purpose of Reclassification Procedures

- a. Reclassification is not a device for salary increases. It is to allow the reclassification caused by a change in the job requirements.
- b. The sole purpose of this section is to provide a uniform system for the individual unit member to be able to request reclassification.

2. Request for Reclassification

- a. Bargaining unit members are entitled to request that a position be reclassified, a group of positions within a classification be reclassified, or the entire classification be reclassified. Bargaining unit members who believe they have been directed to perform duties out of their job classification shall inform the evaluating supervisor and CSEA in writing, with a copy to the Human Resources Department, by September 30 of the current school year. Prior to October 30, the bargaining unit members and his/her supervisor shall meet to discuss the employee's rationale for a potential reclassification, the assignment of job duties in relation to the actual job description, and the additional duties that bargaining unit members have been requested/required to do.
- b. If the bargaining unit members and/or supervisor wishes to pursue the reclassification request, the bargaining unit members shall submit the reclassification packet to CSEA and a copy to the Human Resources Department no later than November 15.
- c. All reclassification packets submitted by the deadline date will be collaboratively reviewed by the District and local Association leadership

representatives to assess whether all contractual requirements have been met for further consideration by a reclassification panel. Only reclassification packets that meet the reclassification criteria will be forwarded to the panel. The Association will notify unit members whose reclassification packets will not be considered by the reclassification panel.

- d. Nothing in this section shall preclude the employer's right to initiate reclassification. In such case, CSEA will be notified at the initiation of the District's intended reclassification.
3. The District and CSEA may mutually agree to proceed to the provisions of Article XIV, F.8. with a joint recommendation to the Superintendent on reclassification requests submitted.
 4. **Reclassification Process**
 - a. All requests which meet the criteria below shall be reviewed by a three-member panel which shall include one appointee from CSEA, one appointee from the District, and a neutral appointee mutually selected by the District and CSEA.
 - 1) The cost of the neutral appointee shall be shared equally by CSEA and the District.
 - 2) The review panel shall meet in December, or as early thereafter as possible.
 - 3) The recommendation of the panel shall be advisory and forwarded the Superintendent who will make a recommendation to the Board of Education for final action.
 - 4) A copy of the panel's recommendation will be submitted to the employee.
 - b. The employee requesting the reclassification shall bear the burden of proof in respect to presenting his/her facts and substantiating evidence to the review panel. The evaluating supervisor may be asked by the panel to comment in writing or verbally regarding his/her analysis of the assigned job duties and the employee's request.

5. Reclassification Criteria

a. Reasons for reclassification:

- 1) Significantly new job duties and/or increased responsibilities, other than increased workload, have been permanently added to the position by the supervisor.
- 2) The purpose(s) and/or function(s) of a position or classification have been permanently changed by the District beyond the job description.

b. Reasons that are not a basis for reclassification:

- 1) Workload increases will not be considered a basis for reclassification. (Workload means the volume or amount of work assigned to be completed within a given period of time; e.g., if the amount of work increases but the job duties are essentially the same or at the same skill level, there is no basis for reclassification).
- 2) Seniority, or length of service, in the position shall not be a basis for reclassification.
- 3) Assuming duties on one's own behalf shall not be considered a basis for reclassification.

c. Other considerations:

- 1) The panel shall take into consideration the frequency and time period in which duties outside the job description occurred.
- 2) The panel shall also ensure that new or increased duties have not been simply assumed by the employee without the supervisor's knowledge and/or approval. Duties must be known or assigned by the supervisor for reclassification to be warranted.

6. Authority of the Review Panel

- a. The panel shall have the authority to consider written statements or verbal testimony of witnesses as needed. The panel may determine time limits for any verbal presentations. The panel may recommend to the Superintendent the following when considering requests for reclassification:

- 1) Range placement

- 2) Changes in the job description
 - 3) Changes in the job title
 - 4) Creation of a new classification or range
7. Representatives appointed by the Association and the District shall meet to review the panel's recommendation.
8. Final Decision and Implementation
- a. The Superintendent shall be forwarded a copy of the panel's recommendation. The Superintendent shall review the panel's recommendation and determine whether it should be approved. The Superintendent's decision shall be final.
 - b. Reclassifications approved by the Superintendent that result in changes in job descriptions and/or salary ranges shall be negotiated between the District and the Association before they are forwarded to the Board of Education for approval.
 - c. Upon request, the District and the Association will meet to review the changes approved through the reclassification process to assess their impact on the integrity of the salary schedule and classification structure.
 - d. Upon request, the Assistant Superintendent, Human Resources or designee shall meet with unit members whose reclassification requests are denied for an explanation of reasons for the denial.
 - e. All approved reclassifications shall take effect retroactive to September 30 of that school year.
9. General Provisions
- a. Placement in Class: Every position shall be placed in a class.
 - b. New Classification: New classifications shall be assigned to the salary schedule, pending negotiations on the appropriate placement of the new classification. Such negotiations shall be completed within thirty (30) days of establishing the new classification.
 - c. Reclassification Salary: Upon reclassification upward of a position class of positions, the position(s) shall be assigned a range at least one range

higher than the former range. The incumbent(s) in the reclassified position(s) shall be reclassified with the position(s), and placed on the lowest step which will provide a two-and-one-half percent (2 ½%) salary increase, unless such a step does not exist. Reclassification shall not change an employee's anniversary date.

- d. If it is agreed that the employee has been working out of class, but is not being reclassified, then the employee will be notified in writing that s/he is no longer responsible for some or all of the out-of-class duties. The employee will be paid appropriate out of class differential retroactively from September 30 of the current school year to the date of notification.

G. Payroll Period

Regular employees (monthly and hourly) shall be paid on the last working day of the month. Salary for hours in addition to the basic assignment shall normally be paid on the 10th of each month. If the normal payday falls on a holiday, the paychecks will be issued on the preceding workday.

H. Pay Plan

1. Less than 12 month employee pay plan: The monthly salary rate for less than 12 month employees will be based on the actual workdays, plus holidays, plus base vacation days times the number of hours worked per day; the total annual hours are then multiplied by the hourly rate on the salary schedule and then divided by the number of work months to determine the monthly rate. Excess vacation entitlement is accrued in the employee leave records.
2. 12 month pay plan: The monthly rates for 12 month positions are calculated by multiplying the employee's hourly rate from the salary schedule by 173.333. The annual rate is determined by multiplying the employee's hourly rate by 2080 (173.333 x 12 months).
3. In the event an employee experiences a change in salary entitlement and has received compensation that exceeds entitlement, he/she will be required to reimburse the District for the overpayment.

I. Initial Salary Placement

New employees shall normally be placed on Step 1 of the salary schedule. A placement above Step 1 may be recommended by the Classified Personnel Administrator at his/her discretion on the basis of comparable experience with

another school district or comparable professional experience on a year-for-year basis.

J. Step Advancement

Eligible employees shall advance one step on the salary schedule within the appropriate range upon the completion of each twelve (12) month period of employment with the District based upon their anniversary date. Such annual advancement will continue until the maximum step within the range is reached.

K. Salary Placement Upon Promotion

An employee promoted to a higher classification shall be placed on the step of the new range which will give a minimum of a two and on-half percent (2 ½%) salary increase unless such a step does not exist. The employee shall thereafter advance on the salary schedule within the appropriate range as provided in Section J. The promotion of an employee does not change his/her anniversary date.

L. Lost Paychecks

An employee whose paycheck is lost after receipt or is not delivered within five (5) days after date of mailing shall make a written application to the Payroll Department for replacement of the check. Following such application, the District shall issue a new paycheck not later than twenty (20) working days after the date of application.

M. Payroll Errors

1. Whenever it is determined that an error has been made in the payment of an employee's salary, the District shall, within five (5) workdays following such determination, provide the employee with a statement of the correction and a supplemental payment.
2. Any salary overpayment(s) shall be corrected by Payroll deduction pursuant to a repayment schedule which shall not exceed six (6) months and shall, if possible, recover the overpayment(s) within the school year in which the overpayment(s) occurred.

N. Experience Credit

District employees may receive experience credit toward a promotional position under the following circumstances:

1. The employee has worked for the District for three (3) years or less.
2. Experience must be professional, paid experience of the type that the employee would have received salary schedule credit, if the employee had originally been hired into the District in the promotional position. Placement may not be above Step 3 on the new range.
3. Salary schedule placement for initial employment and promotional employment shall be determined by the Classified Personnel Administrator.

O. Reimbursement

The District shall pay the cost of state licensure/certificate (e.g., LVN/OT/PT) required by the District as a condition of continued employment.

P. Child Nutrition Payroll

Child Nutrition employees shall be paid on the less than 12-month employee equal pay plan. Such employees shall be paid for vacation leave in accordance with the provisions of Article X.

Q. Physical Examination

Passing a pre-employment physical (PEP) is a condition of employment for all non-clerical Child Nutrition Department positions.

R. Trust Language

All funds pre-funded by employees for use of financing post retirement benefits will be deposited into a dedicated account for such purpose. The Association shall receive an annual accounting of the amount of deposit.

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION, CHAPTER #65

PAYMENT TO SCHOOL YEAR ONLY MEMBERS FOR DENIED USE
OF FLOATING HOLIDAY IN 2022-2023 SCHOOL YEAR

The San Ramon Valley Unified School District (referred to herein as "the District") and CSEA, Chapter #65 (referred to herein as "the Association"), collectively referred to herein as "the parties", mutually understand that the persistent labor shortage has made it exceedingly difficult to fill vacant positions within both Unit II and Unit III and has shrunk the District's pool of substitute employees. As a result, the District continues to struggle to adequately serve the needs of all students across all levels and sites, especially on days that students attend school.

These staffing pressures make it increasingly challenging for managers in some operations of the District to approve employees assigned to work on instructional days only the right to use their one (1) annual floating holiday without interfering with efficient department operations (See Unit II CBA, Section IX.F). For that reason, some such unit members have/will have their request to use their floating holiday approved for use during the 2022-23 school year.

In recognition of the above, the parties agree that the District shall provide one (1) day of compensation to any Unit II member assigned a work calendar that includes the instructional days of the school year only when the employee has requested and been denied the use of their floating holiday by their supervising administrator in the 2022-23 school year. To qualify for such payment, the employee must request and be approved by their administrator for this compensation at the conclusion of the 2022-23 school year and by no later than Friday, June 16, 2023. Such payment will be provided to the unit member as soon as practically possible thereafter.

The parties mutually understand that the terms included herein are temporary and non-precedent setting, and that any alleged violation, misapplication or misinterpretation of the them will be subject to the negotiated grievance procedure. This MOU will sunset on June 30, 2023 unless mutually extended in writing before that date.

SAN RAMON VALLEY UNIFIED SCHOOL DISTRICT

TEMPORARY MEASURES FOR HIRING CANDIDATES INTO CERTAIN CLASSIFICATIONS DURING THE CURRENT LABOR SHORTAGE

The San Ramon Valley Unified School District ("District") and the California School Employees Association, Chapter #65 ("Association"), collectively referred to herein as "the parties," understand that the current labor shortage has sparked major competition among local school districts to hire candidates to fill many positions in the classified service. The need for prompt response and timeliness in interviewing and hiring candidates for positions in the District has become increasingly important as the labor shortage has persisted and intensified. Unless effectively addressed, this competitive environment will continue to pose challenges on many levels for the District and the Association and its members, and it will compromise the services and quality of education the District provides to the students, families and community it serves.

In recognition of the above, the parties have discussed and agreed that temporary measures must be activated which allow for the hiring of candidates into certain classifications that provide direct and essential services to students and where vacancy rates have grown and have remained consistently high. Those classifications include: Paraeducator - Autism Specialist; Paraeducator - Special Education; Paraeducator - Health Clerk; Paraprofessional - Preschool; Instructional Assistant; Paraeducator - Behavior Specialist; Child Nutrition Assistant; Lead Child Nutrition Assistant; Licensed Vocational Nurse; Crossing Guard; Noon Duty Supervisor. As such, and for purposes of timely hiring of qualified applicants into vacant positions, the parties agree as follows:

1. **Posting of Positions:** All vacant positions will be posted in accordance with Article VIII.B of the Unit II and Unit III CBAs.
2. **Internal and External Applicants:** Article VIII.C.4 will be suspended for the specific positions listed above and the District will adhere to the following temporary replacement provision during the term of this MOU:

The District will simultaneously release the applications of all internal and external applicants screened by the Classified Personnel Office as having met minimum qualifications for the position to the hiring manager. Hiring managers may interview internal and external applicants for vacant positions within the same scheduled interview process but shall give first consideration to internal candidates over external candidates.

"Pool" interviews may simultaneously be conducted for like positions within the same site/department or among multiple sites/departments as determined by the hiring manager(s). Hiring managers may solicit placement preferences from candidates before hiring decisions are made.

Hiring managers may offer and select external candidates for any posted and closed

vacant position which has not been filled with an internal candidate. All interviews will be facilitated by the hiring manager(s) and have a CSEA representative present.

3. **Order of Filling Vacancies:** The District will adhere to the provisions of Article VIII.D, as applicable, in selecting candidates to fill all vacant positions. It will also follow the provisions of Articles VIII.C.1-3 in filling positions with internal candidates.
4. **Grievance Procedure:** Any alleged violation, misapplication or misinterpretation of the above terms will be subject to the provisions of the Grievance Procedure in Article XV of the CBA.
5. **Revision of Terms:** Upon the request of the District or the Association, the parties agree to meet and negotiate to revise or augment the terms of this MOU.
6. **Term of Agreement:** This Agreement is effective from the date of execution through June 30, 2023 at which time it will sunset without precedent, unless an extension is mutually agreed upon by the parties in writing.

The signatures below acknowledge full understanding of and agreement with the provisions above.

SAN RAMON VALLEY UNIFIED SCHOOL DISTRICT
RETIRED EMPLOYEES
BENEFIT PLAN AND TRUST
FOR MEMBERS OF CALIFORNIA SCHOOL
EMPLOYEES ASSOCIATION, UNIT II,
CLERICAL EMPLOYEES

(AMENDED AND RESTATED EFFECTIVE JULY 1, 2004)

The California School Employees Association, Unit II, Clerical ("CSEA") and the San Ramon Valley Unified School District adopted and established the San Ramon Valley Retired Employee Health and Welfare Benefit Fund ("Fund") in the 1991-1992 school year to provide health benefits to certain retired employees of the District who were members of the CSEA bargaining unit. The parties hereby adopt this plan to administer the Fund effective July 1, 2004, except as otherwise indicated, and establish the "San Ramon Valley Retired Employees Health Benefit Plan and Trust for CSEA Employees" (the "Plan").

The Plan is intended to be a governmental plan that is exempt from the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

1.5 "Director" means a member of the Board appointed pursuant to Section 5.1 of this agreement.

1.6 "Employee" means each individual included in the employee unit at the time of his or her Retirement, as described in the Agreement.

1.7 "CSEA" means California School Employees Association, Unit II, Clerical.

1.8 "Participant" means an Employee who has satisfied the requirements in Section 4.1 to receive Benefits from the Plan.

1.9 "Plan" means the San Ramon Valley Retired Employees Health Benefit Plan and Trust for CSEA Employees, as amended from time to time.

1.10 "Plan Year" means the period from January 1 to December 31.

1.11 "Retiree" is defined as an individual who retires from the District under the provisions required by STRS/PERS and is receiving retirement benefits from the California State Teachers Retirement System (STRS) or the California Public Employees Retirement System (PERS).

1.12 "Trust" means the trust fund created and established to hold the assets of the Plan.

ARTICLE II - PURPOSE OF THE PLAN AND TRUST

2.1 The Plan has been established for the sole purpose of providing Benefits to Participants and paying Plan expenses. Neither the District, CSEA, nor any Employee, nor any other person shall have any right, title, or interest in the Plan or Trust other than as specifically provided in the Plan, and no part of the Trust shall revert to the District or CSEA. The Plan shall not be liable for or subject to the debts, contracts, or liabilities of the District, CSEA, or any Employee. No part of the Trust, nor any Benefits payable under the Plan, shall be subject to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge by any person.

2.2 Neither the District, CSEA nor any officer, agent, or employee of the District or CSEA shall be under any liability to the Plan, except to the extent that contributions are required to be made to the Plan, or to the extent an individual may incur liability as a Director as a result of their own negligence. The liability of the District to the Plan shall be limited to the contributions required by the Agreement.

2.3 Neither the District, CSEA, nor any Employee shall be liable or responsible for any debts, liabilities, or obligations of any kind or nature of the Plan, the Board or the Directors.

ARTICLE III - EMPLOYEE CONTRIBUTIONS TO THE PLAN

3.1 All Post-retirement Benefits shall be financed entirely by employee contributions to the trust.

3.2 The pre-funding rate is determined by an actuarial study, completed periodically in accordance with generally accepted accounting principles for state and local governments related to retiree benefits. The actuarial study defines the percentage of employee payroll necessary to fund the benefit promise. The salary schedule shall be adjusted each year by any changes in the pre-funding rate.

3.3 Contributions to the Plan shall be calculated mid May for the current fiscal year. This amount shall be based on the annualized salaries for CSEA bargaining unit members as of the calculation date. See Appendix B for calculation. That amount shall be then transferred from the General Fund into the "Retiree Employee Benefit Plan and Trust" for each individual employee group no later than June 30th of the current fiscal year.

ARTICLE IV - BENEFITS

4.1 The following unit members are eligible for retirement benefits if they fall under the definition of retiree as described above and under the applicable agreement between the District and CSEA that applies to the unit members eligibility for retirement benefits. This retirement benefit shall continue only for the lifetime of the retired bargaining unit members and shall not inure to their heirs, successors or assigns. The following conditions shall occur as a condition precedent for participation:

4.1.a. Employees hired on or after October 1, 2002, are not eligible for early retirement or retirement benefits.

4.1.b. Early retirement: For employees who were hired prior to October 1, 2002 and who retire from the District after July 1, 1986, the District shall contribute an amount equal to active Kaiser single party medical coverage per month toward medical benefits, from age 55 to 65, after ten (10) years of continuous Unit II Clerical benefits eligible service immediately prior to retirement. The District shall contribute a pro rata amount toward medical benefits from age 55 to 65 for part time employees who retire from the

District and have been employed four (4) hours or more per day, after ten (10) years of continuous benefits eligible service immediately prior to retirement; however such employees who were employed prior to 7/1/73, who were receiving fully-paid health and welfare benefits prior to July 1, 1973, shall be entitled to the same District contributions as full time employees as long as they continue in assignments of four (4) hours or more. Employee must be enrolled with the same carrier as the District, subject to carrier approval. Provided they have had continuous coverage (i.e. are enrolled in the program prior to the effective date of retirement) employees may apply the District contribution plus any of their own contribution toward the cost of medical, dental, vision, or life insurance coverage upon retirement. These employees may continue life insurance into retirement. The amount of life insurance coverage will be \$25,000 of non-contributory, District-paid coverage if this is the only coverage in force prior to retirement. A maximum additional amount of \$25,000 of contributory, employee-paid supplemental life insurance will be allowed if this additional insurance is in force prior to retirement.

4.1.c. Retirement Benefits: For employees who were hired prior to October 1, 2002, and who retire from the District and have been employed for ten (10) years of continuous benefits eligible service immediately prior to retirement, the District shall provide an amount equal to the current cost of Kaiser single party Medicare carve-out supplemental coverage after age 65. The District shall contribute a pro-rata amount of this benefit for part time employees who retire from the District and have been employed for four (4) hours or more per day after ten (10) years of continuous benefits eligible service in Unit II Clerical immediately prior to retirement. This coverage shall be provided by the District with the agreement of the Association that any cost containment savings recommended by the Benefits Study Committee will be used to offset the additional cost and that the cost shall be refunded by the District by setting aside current dollars for active employees on an actuarial basis (part time prorated).

4.1.d. To determine the pro-rated retiree benefit level for employees who were hired prior to October 1, 2002, and who have worked at more than one level of full time equivalence, the employee may designate the ten (10) consecutive years, July 1 through June 30, to be used in retiree benefit level calculation. Time lost as a result of involuntary reduction in hours/layoff shall not be used in calculation of retiree benefit level, provided that the employee has not turned down an offer of employment of the same or greater hours.

4.1.e. Employees termination or cease employment with the District irrespective of reason without satisfying all of the requirements for Retirement shall not be entitled to Benefits.

4.2 The actual Benefit amount shall be set forth in Appendix A to the Plan each year.

4.3 The Trust contribution may be applied toward medical, dental, vision or life insurance coverage as permitted by each carrier. The Retiree must make adequate arrangements for reimbursement to the Trust for monthly premium amounts exceeding the district contribution.

ARTICLE V - BOARD OF DIRECTORS

5.1 The Plan shall be administered by a Board of Directors which shall consist of five Directors. Two Directors shall be appointed by written designation by the District and shall represent Human Resources and Business Services. Two Directors shall be appointed by written designation by CSEA and one Director shall be jointly appointed by CSEA and the District.

5.2 The Directors shall select two Co-Chairs of the Board to serve for a term of two years or any other period the Directors shall determine.

5.3 Each Director shall serve a term limit of five (5) years and may be reappointed by the District or CSEA.

5.4 A Director may resign at any time by serving a 30-day written notice of such resignation, upon the Co-Chairs of the Board.

5.5 Any Director may be removed from the office at any time for any reason by an instrument in writing signed by the Director's appointing organization and served on the Director concerned and the Co-Chairs of the Board. If one Co-Chair is removed, the notice will be served on the other Co-Chair of the Board.

5.6 If any Director dies, resigns, or is removed from office, a successor Director shall be promptly designated in writing by the organization appointing the Director.

5.7 No vacancy or vacancies in the offices of the directors shall impair the power of the remaining Directors to administer the Plan.

5.8 The Directors shall not be compensated for their services by the Plan. Actual expenses incurred in connection with the performance of their official duties as Directors, as authorized by the Board will be reimbursed by the appointing organization.

ARTICLE VI - POWERS AND DUTIES OF THE BOARD OF DIRECTORS

6.1 The Board shall have the power and duty to administer the Plan and Trust.

6.2 The Board shall enter into an agreement with a custodian or custodians for the purpose of receiving, holding, and disbursing the assets of the Plan.

If the Board files any suit or claim with respect to delinquent contributions, the Board and/or Plan shall be entitled to recover reasonable attorneys' fees, court costs, and all other reasonable expenses for the collection action if it is adjudged to be the prevailing party. This attorney fee provision shall not apply to any suit or claim as against the District.
