4. The leave must be completed within one calendar year of the birth, adoption or placement.
5. Pursuant to Education Code section 45196.1, if the unit member exhausts his/her accumulated sick leave prior to expiration of the 12 week child bonding leave, s/he shall be entitled to differential pay as defined in Education Code section 45196.1 for the balance of the 12 week period.

Effective January 1, 2019, unit members to whom this section applies shall be paid no less than 50% of their regular salary for the duration of their differential leave.

6. The unit members must provide the District at least thirty (30) days prior notice of intent to take child bonding leave, except in the case of emergency.
 7. A Unit Member on leave under this provision shall not result in the forfeiture of probationary or permanent status.
 8. A Unit Member's health benefits will continue while on leave under this provision.
- T. Family School Partnership Leave: The District shall provide leave pursuant to the Family School Partnership Act, effective January 1, 1995, for employees to participate in activities of the school where their children attend. Employees must provide their supervisor forty-eight (48) hours notice of request to utilize this leave. Less notice of request shall be permitted and honored when extenuating circumstances exist.
- U. Catastrophic Leave: The purpose of the catastrophic leave bank is to allow bargaining unit members to contribute one (1) equivalent sick leave day (based on FTE) for the establishment of a sick leave bank to assist permanent classified who have a long-term catastrophic illness or injury and who have exhausted all paid leaves.

Catastrophic illness or injury means a life-threatening or terminal illness or injury as verified by appropriate medical documentation and prevents the member from working.

1. The classified leave bank will include all permanent classified employees in all three (3) bargaining units. The donation of one (1) day of sick leave shall be prorated by FTE when credited to the pool. For example, a .75 FTE employee donating one (1) day shall increase the pool by .75 FTE.
2. A catastrophic leave bank committee will be established to review and either approve or deny requests. The committee will consist of two (2) administrators, and one (1) bargaining unit member from each of the three (3) classified units selected by the respective association/union. Approval of sick leave requests will require support of four (4) out of five (5) committee members. Approval or denial of catastrophic leave requests by the catastrophic leave bank committee shall be final and not be subject to appeal or subject to the grievance procedure of the collective bargaining agreements. The committee shall not grant more leave than is contained in the bank.
3. Participation in the bank is voluntary. At the beginning of each school year there will be an open enrollment period coinciding with the health benefits open enrollment period. Unit members must have fifteen (15) equivalent days of accumulated sick leave as of the first duty day of the fiscal year to be eligible for membership in the bank. Eligible unit members must notify the Human Resource Office in writing during the designated open enrollment period of their desire to participate in the bank. The maximum anyone can contribute to the bank at any one time is one (1) FTE sick leave day.
 - a. The District shall notify all unit members annually of the designated open enrollment period for participation in the Catastrophic Leave Bank.
 - b. Upon closing of the annual open enrollment period for Catastrophic Leave, the District shall provide each classified unit president with the following:
 - The number of hours contributed to the bank by classified employees for the current year.
 - The names of classified employees participating in the bank.
 - The total number of accumulated hours in the bank.
4. All unused days contributed to the bank will be carried over from year to year. If at the end of the previous school year the total number of days in the bank is reduced to fewer than two hundred (200) days/sixteen hundred (1600) hours, the Human Resources Office will notify the bank membership prior to open enrollment that a new assessment of one (1) day of sick leave per member of the bank will be made. A maximum of 200 sick leave days per year may be withdrawn annually from the bank. Sick leave from the bank may not be granted for any illness or injuries to be covered under Workers' Compensation.
5. Members who have accessed benefits from the bank may re-enroll in the bank when they have twelve (12) days of accumulated sick leave, provided the employee has returned to work for at least six (6) working months.
6. Applicants for benefits from the leave bank must submit an application through the catastrophic leave bank committee. Only individuals who have contributed to the bank will be eligible for benefits.

7. Catastrophic Leave Bank Benefit: After all regular sick leave, other sick leave (difference pay) and vacation have been exhausted, up to thirty (30) days of fully paid sick leave at the member's regular daily rate of pay may be requested from the catastrophic leave bank.
8. Those employees enrolled in the bank will automatically continue their participation from year to year unless they notify the Human Resource Office, in writing, of their intent to withdraw from the bank. Such withdrawal from the bank must occur during the open enrollment period and will not result in reinstatement of the time contributed to the bank.

ARTICLE VII

A. Vacancies:

The District shall attempt to fill all vacancies, entry level and above, from among qualified applicants within the District prior to going to the outside. To the extent possible and appropriate, the District will rotate employees in temporary vacancies.

B. Posting Of Vacancies For Transfers And Promotions:

1. In the event there is a reemployment list, offers of reemployment will be processed prior to posting.
2. Vacancies shall be posted at least five (5) working days at all work sites where employees in the unit are regularly assigned.
3. During the posting period, the vacancy shall not be permanently filled.
4. The posting shall state:
 - a. The site of the vacancy.
 - b. The number of hours regularly assigned.
 - c. The job classification and job description.
5. Outside candidates will be released to the hiring manager only after bargaining unit members have been considered for transfer or promotion.
 - a. The District and the Union agree to convene a subcommittee in 2018-2019 of up to three (3) SEIU members and three (3) management team members to review this section and develop a joint proposal for considering both internal and external candidates in the hiring process that will more effectively address the mutual needs of the parties.

C. Transfers And Promotions:

1. A transfer is a move from one work site to another within the same classification or the same salary range. A promotion is a change from one position to another in a higher classification.
2. Probationary employees may be considered for transfer and/or promotion during their initial probationary period with the District. However, probationary employees may accept only

one (1) voluntary transfer or promotion during that time. Probationary employees selected for transfer or promotion shall continue within their same initial probationary period. Probationary employees transferred or promoted from an initial probationary position do not have the right of return to their previous position/classification.

D. Employee Initiated Transfer:

1. Any employee may request consideration for transfer to a posted position by following the District's prescribed application procedures during the open period.
2. All employees requesting a transfer shall be considered for any vacancies they are qualified to fill. Qualifications, evaluations, length of service and other job related factors shall be considered in the selection of a transfer applicant. Upon request, an employee whose transfer request is denied shall be given oral reasons for such denial in a meeting with the Classified Personnel administrator. The employee shall be permitted to have Union representation in said meeting. The meeting shall be held no later than fifteen (15) days after the position is filled.

E. District Initiated Transfer:

1. The District may transfer an employee in the best interests of the school, department, program, students, employees or District.
2. The employee shall be given written notice at least five (5) working days prior to transfer. Routine transfers shall normally be on ten (10) days written notice.
3. Transfers will not be made for punitive reasons unless part of a progressive discipline process in accordance with Article XV. The employees will have the right to request reasons orally or in writing. Seniority is a factor that will be considered along with other factors.

F. Additional Hours for Part Time Custodial Positions: When additional custodial hours are authorized for a school or work site, the additional hours shall be offered to employees in order of seniority at the worksite/school first and shall not be posted for job bidding.

G. Promotion:

1. Request for Consideration: Any employee may request consideration for promotion to a posted position by following the District's prescribed application procedures during the open period.
2. Factors in Decision: All employees applying for promotion shall be considered for any vacancies they are qualified to fill. Qualifications, evaluations, length of service and other job related factors shall be considered in the selection of a promotional applicant. Seniority will be considered as a deciding factor if all other qualifications are equal among the incumbents being considered for promotion. The interview panel shall include a Local 1021 appointed representative. The Assistant Superintendent, Human Resources or designee, shall decide when and if all qualifications are equal between incumbents and when seniority will be considered as a deciding factor. When possible, additional SEIU representatives may serve on the interview panels at the discretion of the interview panel chairperson.

3. Denial of Promotions: Upon request, an employee who is denied a promotion shall be given reasons for such denial in a meeting with the Classified Personnel administrator. The employee shall be permitted to have Union representation in said meeting. The meeting shall be held no later than fifteen (15) days after the promotional vacancy has been filled.

If the response is unsatisfactory to the employee he/she may request and shall receive the reasons in writing.

If the written response is unsatisfactory to the employee, within five (5) working days, the employee may appeal the decision to the Assistant Superintendent of Human Resources. The Appeal shall be in writing and shall set forth the reasons for appeal. The Assistant Superintendent shall provide a written response, and his/her decision shall be final.

4. Pay Upon Promotion: Effective 7/1/02, when an employee changes jobs to a higher classification, the employee shall receive a five percent (5%) promotional increase above the employee's base salary plus shift differential. If placement on Step 6 in the new class does not provide a five percent (5%) increase, the employee will be granted a stated salary not reflected on the Unit salary schedule in order to provide the promotional increase. However, the employee will remain at the stated (y-rated) salary until general increases in the Unit salary schedule provide the employee a monthly salary equal to or greater than the stated (Y-rated) amount.
5. Experience Credit: District employees may receive experience credit toward a promotion position under the following circumstances.
 - a. The employee has worked for the District for three (3) years or less.
 - b. The employee is making a significant career change, i.e. a promotion from custodian to maintenance craftsman. A promotion within the same job groups, i.e. custodian to head custodian would not receive experience credit.
 - c. Experience must be professional, paid experience of the type for which the employee would have received salary schedule credit if the employee had originally been hired into the District in the promotional position. Placement may not be above step 3 on the new range.
 - d. Salary schedule placement for initial employment and promotional employment shall be determined by the Personnel Administrator.
6. Promotional Probationary Period: The probationary period for a permanent employee selected for promotion, effective for all such employees promoted before January 1, 2020 shall be five (5) months from the date of hire in the position to which he/she is promoted. The probationary period for permanent employees promoted beginning January 1, 2021 shall be six (6) months or 130 days in paid service whichever is longer. Employees may not apply for transfer or promotion during a promotional probationary period.
7. Return to Previous Classification: A permanent employee who does not successfully complete a promotional probationary period has the right to return to a position in his/her former classification.

H. Reclassification:

1. Purpose of Reclassification Procedures:

- a. Reclassification is not a device for salary increases. It is to allow the reclassification caused by a change in the job requirements.
- b. The sole purpose of this section is to provide a uniform system for the individual unit member to be able to request reclassification.

2. Request For Reclassification:

- a. An individual employee is entitled to request that his/her position be reclassified. An employee who believes s/he has been directed to perform duties out of his/her job classification shall inform the evaluating supervisor and SEIU in writing, with a copy to the Human Resources Department by September 30 of the current school year. Prior to October 30, the employee and his/her supervisor shall meet to discuss the employee's rationale for a potential reclassification, the assignment of job duties in relation to the actual job description, and the additional duties that the employee has been requested/required to do.
- b. If the employee and/or supervisor wish(es) to pursue the reclassification request, the employee shall submit the reclassification packet to SEIU and a copy to the Human Resources Department no later than November 15.
- c. All reclassification packets submitted by the deadline will be collaboratively reviewed by District and local Association leadership representatives to assess whether all contractual requirements have been met for further consideration by a reclassification panel. Only reclassification packets that meet the reclassification criteria will be forwarded to the panel. The Association will notify unit members whose reclassification packets will not be considered by the reclassification panel.
- d. Nothing in this section shall preclude the employer's right to initiate reclassification.
- e. The District and SEIU may mutually agree to proceed to the provisions of Article VII, H.8 with a joint recommendation to the Superintendent on reclassification requests submitted.

3. Reclassification Process:

- a. All requests which meet the criteria below shall be reviewed by a three (3) member panel which shall include one (1) appointee from SEIU, one (1) appointee from the District, and a neutral appointee mutually selected by the District and SEIU.
 1. The cost of the neutral appointee shall be shared equally by SEIU and the District.
 2. The review panel shall meet in December, or as early thereafter as possible
 3. The recommendation of the panel shall be advisory and forwarded to the Superintendent who will make a recommendation to the Board of Education for final action.

4. A copy of the panel's recommendation will be submitted to the employee.
 - b. The employee requesting the reclassification shall bear the burden of proof in respect to presenting his/her facts and substantiating evidence to the review panel. The evaluating supervisor may be asked by the panel to comment in writing or verbally regarding his/her analysis of the assigned job duties and the employee's request.
4. Reclassification Criteria:
- a. Reasons for reclassification:
 1. Significantly new job duties and/or increased responsibilities, other than the increased workload, have been permanently added to the position by the supervisor.
 2. The purpose(s) and/or function(s) of a position or classification have been permanently changed by the District beyond the job description.
 - b. Reasons that are not a basis for reclassification:
 1. Workload increases. "Workload" meant the volume or amount of work assigned to be completed within a given period of time; e.g., if the amount of work increases but the job duties are essentially the same or at the same skill level, there is no basis for reclassification.
 2. Seniority or length of service, in the position.
 3. Assuming duties on one's own behalf.
 - c. Other considerations:
 1. The panel shall take into consideration the frequency and time period in which duties outside the job description occurred.
 2. The panel shall also ensure that new or increased duties have not been simply assumed by the employee without the supervisor's knowledge and/or approval. The duties must be known or assigned by the supervisor for reclassification to be warranted.
5. Authority Of The Review Panel:
- a. The panel shall have the authority to consider written statements or verbal testimony of witnesses as needed. Applicants may have up to fifteen (15) minutes to make presentations to the panel. Additional time may be allocated at the discretion of the panel. The panel may recommend to the Superintendent the following when considering requests for reclassification:
 1. Range placement
 2. Changes in the job description
 3. Changes in the job title

4. Creation of a new classification or range
6. Representatives: Representatives appointed by the Union and the District shall meet to review the panel's recommendation.
7. Final Decision:
 - a. The superintendent shall be forwarded a copy of the panel's recommendation. The Superintendent shall make a recommendation to the Board of Education and notify the employee within five (5) days of the decision made by the Board. Reclassification decisions cannot be appealed.
 - b. All approved reclassifications shall take effect retroactive to September 1 of that school year.
 - c. Upon request, the Assistant Superintendent of Human Resources or designee shall meet with unit members whose reclassification requests are denied for an explanation of the reasons for the denial.
8. General Provisions:
 - a. Placement in Class: Every position shall be placed in a class.
 - b. New Classification: New classifications shall be assigned to the salary schedule, pending negotiations on the appropriate placement of the new classification. Such negotiations shall be completed within thirty (30) days of establishing the new classification.
 - c. Reclassification Salary: Upon reclassification upward of a position or class of positions, the position(s) shall be assigned a range at least one range higher than the former range. The incumbent(s) in the reclassified position(s) shall be reclassified with the position(s) and placed on a step which will result in at least a five percent (5%) salary increase. Reclassification shall not change an employee's anniversary date.
 - d. If it is agreed that the employee has been working out of class, but is not being reclassified, then the employee will be notified in writing that s/he is no longer responsible for some or all of the out-of-class duties. The employee will be paid appropriate out of class differential retroactively from September 1 of the current school year to the point of notification.

- C. Grievance: Any alleged procedural violation of matters relating to layoff may be processed as a grievance.
- D. Seniority: Seniority for layoff purposes shall be determined by hire date which is the first date of paid service in a probationary classified position per Education Code 45103.
- E. Voluntary Demotion/Reassignment In Lieu Of Layoff: Employees accepting voluntary demotions/reassignments shall be placed in the range of the new class at the step that is closest to, but not higher than, their current base range/step. Acceptance of an offer of voluntary demotion/reassignment after June 30, 2004, shall not be considered a break in service.
- F. Health Benefits After Layoff: Health and welfare benefits premiums for laid off employees shall be paid in the same proportionate amounts as if the employee had not suffered a layoff until the end of the month at least thirty (30) days after the layoff. For purposes of this subsection, persons on layoff shall include persons accepting reductions in hours or demotions in classification in lieu of layoff.
- G. Reemployment From Layoff:
1. Placement on Reemployment List: The names of employees laid off shall be placed on a reemployment list in the reverse order of layoff. All employees laid off shall be placed on the reemployment list for not less than thirty-nine (39) months. Employees accepting demotion or voluntary reduction in assigned time in lieu of layoff shall be placed on the reemployment list for a total of sixty-three (63) months. Employees who take voluntary reduction in assigned time in lieu of layoff shall be, at the employee's option, returned to a position in his/her former class or to positions with increased assigned time as vacancies become available within the sixty-three (63) months. All such employees shall be ranked on the reemployment list in accordance with their seniority.

It shall be the responsibility of an employee who relocates to advise the District of his/her correct mailing address.
 3. Response to Offer: Upon notification of an offer of reemployment, the employee shall have five (5) calendar days from the date of mailing to notify the District of acceptance. Failure to respond/accept shall be considered a waiver of the right to the vacancy offered.
 4. Decline of Offers: An employee on a reemployment list may decline three (3) offers of reemployment in his/her former classification. After the third refusal no additional offers need to be made, except that an employee may, during the period of entitlement, notify the District in writing of availability and shall thereafter be entitled to an additional three (3) offers of reemployment for the period his/her name is on the reemployment list. No employee shall be removed from the reemployment list prior to the time established in Section G.1., above.

Declining an offer of reemployment after June 30, 2004, shall not be considered a break in service.

5. Substitute Work While On Reemployment List: Employees on a reemployment list shall be first offered substitute work in classification(s) they have formerly held, subject to their

availability, at the appropriate rate. Such efforts to offer substitute work on a priority basis will be made in good faith.

6. Restoration Of Benefits: Persons on layoff who have been reemployed within thirty-nine (39) months (or sixty-three (63) months, whichever is applicable) from the date of layoff shall retain their seniority, accumulated and unused sick leave and vacation accrual rate, accumulated credit toward retirement and applicable "grandfathered-in" eligibility for health and welfare benefits as of time of layoff.

H. Retirement In Lieu Of Layoff:

1. Any employee may elect to accept service retirement in lieu of layoff, voluntary demotion or reduction in assigned time.
2. The employee shall then be placed on a reemployment list. However, the employee shall not be eligible for reemployment during such other periods of time as may be specified by pertinent Government Code Sections.
3. The District agrees that when an offer of reemployment is made to an eligible person retired under this article, and the District is notified of acceptance of the offer, the vacancy shall be maintained until the reinstatement from retirement has been processed.
4. An employee who elects retirement under this section and who declines three (3) offers of reemployment shall be deemed to be permanently retired, and subject to all rights, benefits and burdens of other persons retired under PERS regulations.
5. An employee who elects to retire after being placed on a reemployment list shall be deemed to have elected retirement in lieu of layoff. Any such person shall be retained on the reemployment list for the balance of the thirty-nine (39) months. All such persons shall be subject to the provisions of Sections H.1. and H.2. above.

 3. School Site Employees: All employees shall request vacation to their immediate Department Director at least two weeks in advance except in case of emergencies. Employees assigned to school sites can take vacation when the scheduling does not conflict with the district's ability to provide coverage for the absence. - C. Sick Leave During Vacation: When an employee becomes ill for three (3) or more days while on vacation to the extent that all or part of his/her "vacation" was not used, the employee may petition to convert the days that s/he was ill to any accumulated sick leave, thus preserving vacation time.

The procedure for doing this is as follows:

2. Attach supporting documentation to verify the illness. Appropriate documentation would be a hospital release or a doctor's statement.
3. The Personnel Administrator shall approve or disapprove the exchange of days and copies will be returned to the employee.

This coverage shall be provided by the District with the Agreement of the Union that any cost containment savings recommended by the Benefits Study Committee will be used to offset the additional cost and that the cost shall be prefunded by the District by setting aside current dollars for active employees on an actuarial basis. Employees have contributed to pre-funding of post-retirement benefits at an actuarially determined percentage of salary. In the event that future actuarial studies indicate a change in the prefunding percent of salary monies set aside by the District, the District and Union will meet to negotiate.
3. Retirement After 6/30/06: The District will contribute a flat rate of five hundred thirty-four dollars (\$534) per month (rate applies to 2018-2019) (adjusted annually by the Consumer Price Index for all urban consumers for San Francisco-Oakland) for eligible employees who are at least age fifty-five (55) and have ten (10) years of continuous full time service immediately prior to retirement. Bus drivers who work less than eight (8) hours per day and forty (40) hours per week are considered part-time for leave accruals and benefits except as provided for in Section G of this Article. This provision shall not apply to employees hired after July 1, 2012. Beginning July 1, 2017, the District will provide all other certified and licensed bus drivers a twenty-five (25) hour per week work week, five (5) hour workday.
- B. Requests for Paid Additional Time: A bus driver may request additional paid time when necessary to clean his/her bus. The Director of Transportation may approve such requests at his/her discretion. Bus drivers are expected to clean fuel and wash their assigned bus during their regularly assigned route hours. If drivers' routes and utility hours do not fulfill their lock in workday, that driver shall assist other drivers in cleaning, fueling and washing other assigned buses or other assigned work as determined by the Department.

- C. Bus Driver Work Shift Bidding: There shall be one (1) general bidding per year for bus driver routes. Bidding shall occur no later than five (5) days before the first day of school. Workdays are defined as the one hundred eighty (180) days that school is in session for this bidding procedure only. The routes to be bid shall be made available for inspection by the bus drivers at least five (5) days before the bidding is scheduled. Bus Driver bidding seniority (for purposes of route bidding only) shall be determined as follows:

The District will package mid-day routes in the start of the year bidding process for bus and van drivers. Management retains the right to design the routes, including the mid-day routes, with considerations provided to ridership, ride times, safety and comfort of students.

Drivers shall not make a bid on a route with less than their current FTE when a route equal to their FTE is available.

1. Seniority: Bus Driver bidding seniority (for purposes of route bidding only) shall be determined by date of the first paid regular classified service within the Bus Driver series.

Upon the completion of the bidding process, if new mid-day routes become available, the District will assign the additional time, based upon departmental seniority in the classification whenever possible and appropriate, with considerations specific to ridership, ride times, safety and comfort for students. Student needs will prevail in the assignment of additional mid-day routes.
5. Vacancies due to Medical, Maternity or Other Qualifying Leave: All vacant routes created by medical, maternity or other qualifying leave exceeding (20) consecutive work days shall be offered for non-permanent assignment to regular bus drivers by seniority. If the route is not temporarily filled by a regular bus driver, the route may be offered to a substitute bus driver on a temporary basis. The non-permanent assignment is only for the duration of the qualifying leave vacancy. Should the employee on medical, maternity or other qualifying leave be unable to return to work, the route shall become available using the standard bidding procedures described in this Article.
6. (MOU) Mid-Year Vacancies: A route that becomes vacant after the bid process is completed will be posted in its entirety. Drivers will bid on the newly vacant route and the route will be awarded by seniority. The route made vacant by awarding the newly vacant route shall be internally posted in its entirety and the bidding procedure shall be followed until all available

routes have been exhausted through the process. During this process if a newly vacant route is not successfully bid upon during the first round any mid-day assignment shall be separated from the AM/PM route and will be assigned separately to the next available senior driver who qualifies for a mid-day route assignment. Drivers may bid route if the route hours are equal to or greater than current route.

7. Summer Routes: Summer routes are to be bid separately before the beginning of summer school in accordance with the bidding procedure for regular school year routes.

D. Time Added to Routes and Bus Drivers' Planned Overtime/Extra Hours:

1. Time Added to Routes: Any time added to designated bid routes shall not be taken away for the remainder of the bid period provided that the additional time remained in effect for at least twenty (20) consecutive work days.
 2. "Lock-in": The following situations will be considered "neutral" as applied to "lock-in" as long as the driver is willing and available for work (as appropriate): all field trip assignments, minimum days, leave qualifying for the use of bereavement leave, military duty, jury duty, subpoena (as defined in Article VI.I.4), approved union business and District required training. The following will not be considered a break in "lock-in" sequence: confirmed student absence from the bus that would result in the temporary cancellation or reduction of that assignment. The bus driver, with the approval of the director/designee, must perform utility work or other department work as assigned to make up this time.
 3. All Bus Driver hours in excess of regular route hours excluding field trips are to be distributed according to the bidding procedure and distributed as equally as possible by seniority among all permanent bus drivers.
 4. Field trips, including those scheduled during summer, are to be assigned to eligible bus drivers on a rotational basis based on seniority. The annual rotation begins on the day of bid for each new school year. This provision shall not preclude the director from assigning a trip outside of rotation when departmental needs necessitate it.
 5. The Director of Transportation shall attempt to assign emergency overtime according to seniority bidding procedures as long as those procedures do not hinder the District's ability to provide required services. In the event that the most senior driver(s) is/are not readily available for emergency overtime, the Director may assign the next most senior available driver to the emergency situation. If a Bus Driver turns down any overtime that has been offered, the number of hours that were turned down shall be considered as if they had been worked in determining equitable distribution.
 6. The Director of Transportation shall have available for review the overtime assignment for Bus Drivers and shall publish a report on an annual basis.
- E. Job-Related Medical Examinations: The District shall agree to pay for the required physical for continuing bus drivers in an amount equal to the cost of such a physical at a clinic selected by the District.

F. Bus Drivers' Salary And Allowances:

1. Bus drivers shall be paid for actual hours worked.
2. The District will reimburse bus drivers for renewal of driving certificate fee.
3. Bus drivers shall be in paid status for the duration of testing which is scheduled by the California Highway Patrol.
4. Bus drivers assigned to work during summer session shall be compensated at the hourly rate which is applicable to their normal assignment during the regular academic year.

G. Part-Time Employee Benefits:

An employee who has been employed thirty (30) hours or more for more than three (3) consecutive years without a voluntary break in service longer than ten (10) working days (excluding medical, maternity or military leaves) and is in paid status the minimum required hours of six (6) hours or more per day and thirty (30) hours per week shall be considered full time for the purpose of health and welfare benefits coverage. This provision shall not apply to employees hired after July 1, 2012.
2. The benefits for an employee who does not meet the requirements described in G.1. will be based on the categories and provisions of the benefit chart for part-time bus drivers at the back of this contract in Appendix G.
3. Floating Holiday and Personal Business Day Accrual: Floating Holiday and Personal Business Days shall be accrued at the rate of a one-time accrual of six (6) hours at the beginning of the school year. If lock-in is greater than 6 hours, Floating Holiday and Personal Business Days will be adjusted accordingly. This provision shall not apply to employees hired after July 1, 2012.
4. Sick and Vacation Leave Accrual: Sick leave and vacation accruals for eligible bus drivers shall be calculated on a prorated basis according to actual hours worked during the month including any time on paid leave of absence. Bus drivers assigned to work during the summer session shall accrue sick and vacation leave in the same manner as such leave is accrued during the regular academic year for actual hours worked. Vacation leave shall be accrued based on the actual hours worked during each month not to exceed eight (8) hours per month except vacation accrual excess as provided for under Article X, Section A, Part 2 of this contract. Accrued vacation for bus drivers shall be paid out twice per year on the variable payroll in December and July.
5. Any necessary sick leave and vacation adjustments to conform with actual annual straight time hours worked (non-overtime) will be made in June.

If drivers' routes and utility hours do not fulfill their lock in workday, that driver shall assist other drivers in cleaning, fueling and washing other assigned Transportation Vehicles or other assigned work as determined by the Department.

The non-permanent assignment is only for the duration of the qualifying leave vacancy. Should the employee on medical, maternity or other qualifying leave be unable to return to work, the route shall become available using the standard bidding procedures described in this Article.
5. (MOU) Mid-Year Vacancies: A route that becomes vacant after the bid process is completed will be posted in its entirety. Drivers will bid on the newly vacant route and the route will be awarded by seniority. The route made vacant by awarding the newly vacant route shall be internally posted in its entirety and the bidding procedure shall be followed until all available routes have been exhausted through the process. The following will not be considered a break in "lock-in" sequence: confirmed student absence from the Transportation Vehicle that would result in the temporary cancellation or reduction of that assignment. The Transportation Vehicle driver, with the approval of the director/designee, will be allowed to perform utility work or other department work as assigned to make up this time.
3. All Transportation Vehicle Driver hours in excess of regular route hours excluding field trips are to be distributed according to the bidding procedure and distributed as equally as possible by seniority among all permanent Transportation Vehicle drivers.
4. The Director of Transportation shall attempt to assign emergency overtime according to seniority bidding procedures as long as those procedures do not hinder the District's ability to provide required services. In the event that the most senior driver(s) is/are not readily

available for emergency overtime, the Director may assign the next most senior available driver to the emergency situation. If a Transportation Vehicle Driver turns down any overtime that has been offered, the number of hours that were turned down shall be considered as if they had been worked in determining equitable distribution.

5. The Director of Transportation shall have available for review the overtime assignment for Transportation Vehicle Drivers and shall publish a report on an annual basis.

GUIDELINES FOR DISCIPLINARY ACTION INVOLVING CLASSIFIED EMPLOYEES
(Revised December 2002)

In most cases discipline will be progressive. That means the following sequence of disciplinary action will take place as they relate to the "causes" listed in the contract or the Education Code.

- A. Informal conference (employee has the option of including a witness or advisor of his/her choice).
- B. Formal conference with an employee organization representative present (shop steward, union field representative or representative of the employee's choice).
- C. A letter summarizing prior conferences and warning of possible disciplinary action for any further violations. A copy of this letter will be placed in the employee's personnel file.
- D. Suspension without pay/demotion/involuntary transfer or other disciplinary action short of dismissal.
- E. Recommendation for dismissal.

This sequence of progressive discipline action as indicated above will be used for:

- Excessive absence from work.
- Abuse of sick leave.
- Discourteous, offensive, or abusive conduct or language toward other employees, pupils, or the public when on duty.
- Incompetence or inefficiency in the performance of duties.
- Repeated tardiness to work.
- Willful or persistent violation of the Education Code or the rules of the Governing Board.
- Failure to perform the essential functions of the position with or without reasonable accommodation.

Due to the severity of the offense, progressive discipline will start with a letter (C. above) when the following causes are involved:

- Unauthorized absence (failure to report to work without approval to be absent).
- Insubordination (including, but not limited to, refusal to do assigned work).
- Willful or persistent violation of policy or procedure where the health or safety of individuals may be endangered by such violations.

GUIDELINES FOR DISCIPLINARY ACTION INVOLVING CLASSIFIED EMPLOYEES
(December 2002)

Page 2

A few situations are considered to be more serious causes for disciplinary action and will be dealt with as follows:

- Evidence of addiction to a controlled substance will result in a recommendation that the employee be placed on medical leave and asked to enroll in a treatment program. Failure to do so will result in documentation of the employee's performance as affected by the addiction which may lead to a recommendation for dismissal.
- Using a controlled substance or drinking alcoholic beverages during the workday will result in a recommendation for dismissal.
- Reporting to work under the influence of alcohol or other controlled substance will result in immediate suspension, referral for medical treatment and possible recommendation for dismissal if the offense is repeated.
- Dishonesty will result in a disciplinary letter warning of possible disciplinary action for any further violations. Beyond that, the level of discipline will be commensurate with the level of dishonesty. Theft in any form will result in a recommendation for dismissal.
- Falsifying any information supplied to the District will result in a letter warning of possible disciplinary action for any further violations. The level of other discipline will be commensurate with the effect of the false information on the District. False information provided at the time of first employment will result in dismissal during the probation period.
- Conviction of a felony or of any crime involving moral turpitude will result in immediate dismissal.
- Arrest for any felony will result in immediate recommendation for suspension until an investigation is conducted to determine further action.

Disorderly or immoral conduct will result in immediate suspension until the facts can be determined and appropriate disciplinary action can be recommended.

LIMITED DUTY PROGRAM GUIDELINES FOR WORK RELATED INJURY OR ILLNESS

DEFINITION: Limited duty is temporary duty provided to a disabled employee who cannot perform his or her regular job duties for a specified period of time. The temporary assignment is provided while an individual is recuperating from a work incurred injury or illness. To be eligible for limited duty, it must be deemed by the treating doctor that the injured worker will be able to return to his/her usual and customary occupation within an identified period of time.

1. All limited duty assignments shall be approved in advance of beginning limited duty by the employee's immediate supervisor and the personnel administrator.
2. Limited duty assignments are approved for a period of approximately two weeks at a time. Additional limited duty assignments are granted based upon presentation of appropriate medical information indicating the employee is physically progressing toward return to normal duties.
3. Limited duty assignments shall be approved only if appropriate work is available and for that period of time as determined by the immediate supervisor and the personnel administrator. Nothing in these guidelines shall be construed as a guarantee of limited duty for any person.
4. All limited duty assignments shall be in accordance with a physician's written statement of ability to work. The written limited duty authorization from the treating physician shall be provided to the benefits analyst immediately by the injured worker.
5. Limited duty assignments may be made to duties outside of the employee's department and classification. The salary of an employee on assignment to another department under the limited duty program shall be borne by the employee's originating department.
6. The limited duty assignment may be terminated by the immediate supervisor and the personnel administrator at any time.
7. All employees who are absent due to work related injury or illness must return to work on a limited duty assignment when authorized by the treating doctor if the immediate supervisor and the personnel administrator determine appropriate limited duty is available.
8. No applicant for limited duty assignment will be discriminated against because of past work performance, age, physical handicap, or any other reason.

Human Resources
(925) 552-2923 • FAX (925) 552-5052

PROCEDURE FOR PLACEMENT ON THE EMERGENCY CALL-OUT LIST
(Revised May 2017)

To be eligible for the emergency call-out list, an employee must be in the Maintenance or Grounds Department and fulfill the following conditions:

- a. Live within a 15 mile response time from the district boundaries.
- b. Possess a valid California driver's license.
- c. Worked in the department for at least twelve months.
- d. Must be able to perform typical tasks required of call-out personnel as outlined in the On-Call Manual.

Grounds for removal from the call-out list include:

- Not accepting call-outs, not being available for calls during nights or weekends, being unable to solve the call-out problems without help on a recurring basis within the same fiscal year. A third conference for unsatisfactory work on emergency call-outs may result in removal from the list. An employee may also be removed as a result of disciplinary action.

Only the top two individuals on the rotating posted call-out list shall be allowed to take a District vehicle home for use on the emergency call-outs during the month they are sequentially scheduled as the On-Call responder. This is by design in case the first responder is not available then the second person in the rotation will be called. In the rare event that the top two responders are not available, someone lower on the list will be called, and they will be paid mileage consistent with IRS reimbursement rates from their home of residence to the Service Center at 3280 East Crow Canyon Rd., San Ramon.

All Call-Out overtime will be reimbursed with a two (2) hour minimum or the actual overtime hours worked, whichever is greater. This rate is effective seven (7) days a week, including weekends and holidays. If an employee responds to a Call-Out and works less than the minimum two (2) hours and has an additional call whether at home or in the district during the same two (2) hour increment, no additional time will be reimbursed unless that time exceeds the minimum two (2) hour reimbursement. Then actual overtime hours will be reimbursed.

Those on the list shall rotate monthly by placing the name at the top of the list at the bottom and moving everyone else up one position. An employee on the call-out list is not authorized to accept an assignment while on vacation, or other type of leave, until the last night prior to return to work. An employee on the call-out list, who is off work due to an illness or injury, is not authorized to accept an assignment until the employee has actually returned to work for at least one day.

Only six (6) individuals will comprise the On-Call team. Each July 1 the 6 positions will be filled by bid and by seniority. Each July 1, the call-out list shall be opened to all maintenance and grounds employees who meet the qualifying conditions as noted in A-D above. The employees with the greatest seniority within the Maintenance or Grounds Departments who request placement on the list shall constitute the call-out list until the next July 1st of the following year. In the event that anyone drops off the list during the fiscal year, the position shall be opened and the most senior qualified applicant from the Maintenance and Grounds Department may bid and be added as the replacement until next July 1.

The procedures above shall be invoked for all emergencies that are of a serious nature and that require the specialized skills and/or equipment available to District maintenance and grounds personnel. The District may contact a custodian assigned to a site to respond to calls that are less serious in nature. Calls which are less serious in nature shall include, but not limited to, locking a door or gate, securing a window, and turning off an alarm.

3.3 Contributions to the Plan shall be calculated mid May for the current fiscal year. This amount shall be based on the annualized salaries for SEIU bargaining unit members as of the calculation date. See Appendix B for calculation. That amount shall be then transferred from the General Fund into the "Retiree Employee Benefit Plan and Trust" for each individual employee group no later than June 30th of the current fiscal year.

ARTICLE IV - BENEFITS

4.1 The following unit members are eligible for retirement benefits if they fall under the definition of retiree as described above and under the applicable agreement between the District and SEIU that applies to the unit members eligibility for retirement benefits. This retirement benefit shall continue only for the lifetime of the retired bargaining unit members and shall not inure to their heirs, successors or assigns. The following conditions shall occur as a condition precedent for participation:

- 4.1.b. Retirement After 6/30/88:** For employees who retire from the District on or after 7/1/88, the District shall, in addition to G.1. above, provide an amount equal to the current cost of Kaiser Medicare eligible coverage (not Kaiser Senior Advantage rate) for employees after age 65 who have been employed for ten (10) years of continuous service immediately prior to retirement. This coverage shall be provided by the District with the Agreement of the Union that any cost containment savings recommended by the Benefits Study Committee will be used to offset the additional cost and that the cost shall be prefunded by the District by setting aside current dollars for active employees on an actuarial basis. Employees have contributed to pre-funding of post-retirement benefits at an actuarially determined percentage of salary. In the event that future actuarial studies indicate a change in the prefunding percent of salary monies set aside by the District, the District and Union will meet to negotiate.
- 4.1.c. Retiree Life Insurance:** Bargaining unit members may direct their benefit amount under this Article to pay for medical, dental, vision, or life insurance coverage upon retirement. These employees may continue life insurance into retirement. Life insurance coverage must be continuous and may be purchased at either \$25,000 or \$50,000 term life coverage level.
- 4.1.d.** Employees termination or cease employment with the District irrespective of reason without satisfying all of the requirements for Retirement shall not be entitled to Benefits.

4.2 The actual Benefit amount shall be set forth in Appendix A to the Plan each year.

5.6 If any Director dies, resigns, or is removed from office, a successor Director shall be promptly designated in writing by the organization appointing the Director.

5.7 No vacancy or vacancies in the offices of the directors shall impair the power of the remaining Directors to administer the Plan.

The Plan Manager shall be the custodian of all documents and other records of the Board.

6.7 The Directors and employees of the District and/or the Trust who handle the assets of the Plan shall be bonded in such amounts as the Board deems reasonable, in compliance with any applicable state law. The cost of such bonds shall be paid for by the Plan.

6.8 The Directors shall obtain insurance, to the extent permitted by law, in amounts so determined by the Directors, to insure themselves, the Plan, the District or agents of the Directors and of the Plan, (1) with respect to liability as a result of acts, errors, or omissions of such Director or Directors, employees or agents, (2) with respect to injuries received or property

Furthermore, the Board shall subject the Plan to the regular annual audit of the District consistent with generally accepted auditing principles for governmental agencies. Any District expense or cost so to assist or participate in the audit shall be paid for, if so requested by the District, by the Plan.

ARTICLE VII - PROCEDURE OF BOARD OF DIRECTORS

7.1 The Board shall hold at least one meeting each Plan Year and may hold other meetings at its discretion. 7.5 All fiscal decisions require an affirmative vote from four Directors to pass. All other decisions may be passed by a simple majority vote.

7.6 Upon any matter that may properly come before the Board, the Board may act without a meeting provided such action has the written concurrence of all the Directors.

ARTICLE VIII - GENERAL PROVISIONS APPLICABLE TO DIRECTORS

8.1 The duties, responsibilities and liabilities of any Director under the Plan shall be determined solely by the express provisions of the Plan, and no further duties, responsibilities or liabilities shall be implied or imposed.

8.2 The Directors, to the extent permitted by applicable law, shall incur no liability in acting upon any paper or document believed by them to be genuine and to contain a true statement of facts and to be signed by the proper person. Any Director, to the extent permitted by applicable law, may rely upon any instrument in writing purporting to have been signed by a majority of the Directors as conclusive evidence of the fact that a majority of the Directors have taken the action stated to have been taken in such instrument.

8.3 Neither the District nor SEIU shall be liable in any way for any of the obligations, acts, or omissions of a Director merely because the Director is in any way associated with the District or SEIU.

8.4 The name of the Plan may be used to designate the Directors collectively, and all instruments may be executed by the Board in the name of the Plan, by signature of the one Director appointed by SEIU and one Director appointed by the District who are authorized to sign various documents and instruments under Article VI.

8.5 In the event any question or dispute shall arise as to the proper person or persons to whom any payments shall be made under the Plan, the Board may withhold payment pending an adjudication of the question or dispute, satisfactory to the Board, or until the Board has been fully protected against loss by means of such indemnification agreement or bond as the Board, in its sole judgment, determines to be adequate.

ARTICLE IX - ARBITRATION

9.1 In the event that the directors deadlock or fail to take action on any matter arising in connection with the administration of the Plan, the Directors shall, within ten days after a written request is served upon the Co-Chair by any Director, agree upon a neutral person to serve as an arbitrator to decide the dispute. An arbitrator shall be chosen from a list of five arbitrators from the American Arbitration Association or comparable group. The District and the SEIU Directors shall each alternatively strike one name until four names have been eliminated, and the person whose name remains shall be the arbitrator.

9.2 The decision of the arbitrator shall be final and binding upon the Directors, the parties, the Employees and beneficiaries of the Plan. In making his or her decision, the arbitrator shall be

bound by the provisions of the Plan and shall have no authority to alter or amend the terms of any thereof.

9.3 In the event the Directors are unable to agree on an arbitrator within 30 days, either the District or SEIU Directors may petition the Superior Court for the State of California, County of Contra Costa, for appointment of an arbitrator, as provided in California Code of Civil Procedure, Section 128.1 *et seq.*

9.4 The reasonable expenses of any such arbitration, including any necessary court proceedings to secure the appointment of an arbitrator or the enforcement of the arbitration award (excluding the fees and expenses of witnesses who are not employees of the District, called by the parties and the cost of any attorneys other than the attorneys for the Plan), shall be a proper charge against the Trust. ARTICLE X - GENERAL PROVISIONS

10.1 The rights and duties of all parties, including the District and SEIU Employees and Directors, shall be governed by the provisions of the Plan.

10.2 No employee or other beneficiary shall have any right or claim to benefits under the Plan except as specified herein. Neither the District, SEIU nor any of the Directors shall be liable for the failure or omission for any reason to pay Benefits under the Plan.

10.3 If any provision of the Plan, the rules and regulations made pursuant thereto, or any step in the administration of the Plan is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of the Plan unless such illegality or invalidity prevents, or in substantial degree unfavorably affects, accomplishment of the objectives and purposes of the Plan.

10.4 Except to the extent necessary for the proper administration of the Plan or as required under one or both Agreements, all books, records, papers, reports, documents, or other information obtained with respect to the fund or the Plan shall be confidential and shall not be made public or used for any other purpose than the information of an action by the Board. Nothing in this section shall prohibit the preparation and publication of statistical data and summary reports with respect to the operations of the Plan.

ARTICLE XI - DUAL ENTITLEMENTS

11.1 Notwithstanding any other provision of the Plan, the following provisions shall apply in the case of a couple in which one Spouse or Domestic Partner is an eligible Employee under the Plan, and the other Spouse or Domestic Partner is either an eligible Employee under this Plan or an employee of the District who is entitled to retiree health benefits under another Plan to which the District contributes, or pursuant to a contract with the District.

11.2 If each Spouse or Domestic Partner is an eligible Employee each Employee is eligible for participation in the Plan as defined by Article IV.
