Notification Process:

- When the student notifies IT of the need for device repair or replacement, the designee and parent, guardian, and/or caregiver will be notified of any fees and information on how to pay.
- The site Principal or designee will manage the collection of fees.

Fees: Without insurance, repair costs are as follows:

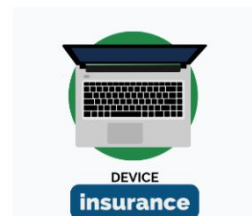

- \$100 will be charged for the first repair occurrence
- \$200 for the second occurrence
- For the 3rd occurrence, a fee equal to the full replacement value will be charged- ranging from \$400-\$500.

This fee schedule aims to foster responsibility and ensure the proper care of school property while providing alternatives for those unable to make financial reparations.
